## **Uniforms**

- Mrs. Swift has conferred with other orchestra directors, and it has been decided that orchestra student uniforms will be “concert black” this year due to the continued possibility of switching to virtual schooling depending on the spread of COVID. This will keep families from spending money for formal uniforms that could possibly not be used. Also, many schools prior to COVID have been moving to “concert black.” Mrs. Swift will distribute in writing to students/family members what constitutes “concert black,” detailing what is and is not appropriate attire.
- Teresa will find out if people can order individually from the orchestra uniform catalog in the event anyone would like to order the formal uniforms used in the past.

## Treasurer Report

- **End-of-year Financial Review (EOYFR):** The EOYFR will be conducted before the October 6, 2021 board meeting; date TBD. A non-board member needs to be present during the review. For ease of obtaining a volunteer amid COVID concerns, a board member's spouse will be the first option explored.
- **2021-2022 Orchestra Budget:** Polly will present the 2021-2022 Budget at the October 6, 2021 board meeting, and a succeeding vote to approve the budget will take place.
- **Burke & Herbert (B&H):** The Booster Club checking account still needs designated signee paperwork completed by Tammy and Mandy. Polly will schedule a date and email that to Tammy and Mandy, so they can go to one B&H branch together rather than making separate appointments.
- **Change in By-laws:** A change in the by-laws concerning the number of signees needed on Booster checks written will be discussed and voted on at the October 6, 2021 board meeting.
