

Personality North Node

The Direction You See

This is the path you consciously recognise yourself growing into. It reflects the experiences, people, and environments that expand your perspective and support your evolution.

Keywords: Direction • Growth • Perspective • Conscious Path

Design North Node

The Path Within

This is the unconscious environment your body naturally responds to. It quietly guides you toward the places and experiences where your growth unfolds with the greatest ease.

Keywords: Environment • Alignment • Natural Flow • Unconscious Direction

✦ *Your future begins with the path you choose to walk.*
