

Acknowlegding **Youths** CIC

WE'RE LOOKING FOR NEW FACES!

The Kickstart Scheme is a new temporary employment programme designed to help young people off Universal Credit and into work. Young people will enter a work placement with an employer and the government will pay them minimum wage for 6 months. Employers will be able to top up their wages if they want to.

Kickstart Scheme jobs are only available for Universal Credit claimants aged 16 to 24 who are referred by DWP. If your application is successful: You or your Kickstart gateway will give DWP job descriptions that work coaches at Jobcentre Plus will use to match candidates to the jobs.
