

Community Partner & Sponsorship Information

About FGA

Frisco Gifted Association is a non-profit organization (501c3) of parents, educators, and community members who are committed to supporting and creating expanded opportunities for the education of gifted and talented students under age 19 and their families. FGA supports, encourages, and facilitates the development of such programs, both within the public school and as extra-curricular activities utilizing community and individual resources.

What We Do

- Student programs & enrichment
- Parent education & support
- College scholarships
- Community advocacy & awareness
- GT teacher/staff appreciation gifts

Community Partners

We are currently looking for community partners with whom we share common values and goals. Please partner with us to provide quality opportunities for gifted and talented students, parents and teachers through our programming and resources. Add your company's expertise and services to our offerings and connect with our members in-person, via our website, monthly newsletter and social media. Help us meet the needs of our growing community through collaboration, membership or sponsorship. We appreciate any level of support.

5000 Eldorado Pkwy, Suite 150, Frisco, TX 75033
