

Industrial Hemp Pilot Program Fit For Commerce Certificate

PETERSON AARON
15900 FLYING CLOUD DR
EDEN PRAIRIE MN 55347

License Number: 20200793

This certificate concerns the test results for the industrial hemp plant sample number 062619.20200793.04. The sample was taken at your licensed hemp Grow Location 4, just SW of 15900 Flying Cloud Dr, Eden Prairie, MN 55347 (44.817777, -93.483889) by an MDA inspector on 6/26/19. As defined in Minnesota Statue 18K.02, the delta-9 tetrahydrocannabinol (THC) post-decarboxylation (Total Potential THC) content is required to be below 0.3% on a dry weight basis. The THC test result for the sample is listed below.

Sample Number	Variety Name	Total Potential THC= D9 THC + (THCA*0.877)
062619.20200793.04	Lifter, Suver Haze, Cherry, Winter Lake & T2	0.159%

The sample taken at your hemp grow location was tested for THC concentration and found to be in compliance with MS Chapter 18K.02. The industrial hemp material harvested from this specified lot is fit to enter the stream of commerce.
