

Metallica - Enter Sandman

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

Say your prayers, little one, don't forget, my son
To include everyone
I tuck you in, warm within, keep you free from sin
'Til the Sandman he comes

[Pre-Chorus]

Sleep with one eye open
Gripping your pillow tight

[Chorus]

Exit light
Enter night
Take my hand
We're off to never never-land

[Verse 2]

Something's wrong, shut the light, heavy thoughts
tonight

And they aren't of Snow White
Dreams of war, dreams of liars, dreams of dragons'
fire
And of things that will bite, yeah

[Pre-Chorus]

Sleep with one eye open
Gripping your pillow tight

[Chorus]

Exit light
Enter night
Take my hand
We're off to never never-land

[Guitar Solo]

[Bridge]

Now, I lay me down to sleep
(Now, I lay me down to sleep)
Pray the Lord my soul to keep
(Pray the Lord my soul to keep)
And if I die before I wake
(If I die before I wake)
Pray the Lord my soul to take

(Pray the Lord my soul to take)
Hush, little baby, don't say a word
And never mind that noise you heard
It's just the beast under your bed
In your closet, in your **head**

[Chorus]

Exit light

Enter night

Grain of sand

Exit light

Enter night

Take my hand

We're off to never never-land (yeah, haha haha)

[Outro]

Oh, yeah-yeah, yo

We're off to never never-land

Take my hand

We're off to never never-land

Take my hand

We're off to never never-land
