[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## [Verse 1]

Freezin'

Rests his **head** on a pillow made of concrete, again

Oh, feelin'

Maybe he'll see a little better, set of days, ooh yeah

Oh, hand out

Faces that he sees time again ain't that familiar, oh  
yeah

Oh, dark grin

He can't help, when he's happy he looks insane, hm  
yeah

## [Chorus]

Even flow, thoughts arrive like butterflies  
Oh, he don't know, so he chases them away  
Oh, someday yet, he'll begin his life again  
Life again, life again...

## [Verse 2]

Kneelin'

Looking through the paper though he doesn't know to  
read, oh yeah

Oh, prayin'

Now to something that has never showed him anything

Oh, feelin'

Understands the weather of the winters on its way

Oh, ceilings

Few and far between all the legal halls of shame, hey

### **[Chorus]**

Even flow, thoughts arrive like butterflies

Oh, he don't know, so he chases them away

Oh, someday yet, he'll begin his life again

...Ah, whispering hands, gently **lead** him away

Him away, him away... yeah!

Woo, ah yeah... **fuck** it up

### **[Guitar Solo]**

### **[Interlude]**

Hey man, you got a dollar?

Come on, just some spare change, man, I know you got

Well, God bless you man, God bless you

### **[Chorus]**

Even flow, thoughts arrive like butterflies

Oh, he don't know, so he chases them away  
Oh, someday yet, he'll begin his life again  
Oh, whispering hands, gently **lead** him away  
Him away, him away... yeah!  
Woo, ah yeah...
