

# Eve 6 - Inside Out

## **[Chorus]**

I would swallow my pride  
I would choke on the rinds  
But the lack thereof would leave me empty inside  
Swallow my doubt, turn it inside out  
Find nothin' but faith in nothin'  
Want to put my tender  
Heart in a blender  
Watch it spin 'round to a beautiful oblivion  
Rendezvous, then I'm through with you

## **[Verse 1]**

I burn, burn like a wicker cabinet  
Chalk white and oh-so-frail  
I see our time has gotten stale  
The tick-tock of the clock is painful  
All sane and logical  
I want to tear it off the wall  
I hear words and clips and phrases

I think sick like ginger ale  
My stomach turns and I exhale

**[Chorus]**

I would swallow my pride  
I would choke on the rinds  
But the lack thereof would leave me empty inside  
I would swallow my doubt, turn it inside out  
Find nothin' but faith in nothin'  
Want to put my tender  
Heart in a blender  
Watch it spin 'round to a beautiful oblivion  
Rendezvous, and I'm through with you

**[Verse 2]**

So-Cal is where my mind states  
But it's not my state of mind  
I'm not as ugly, sad as you  
Or am I origami, folded up and just pretend  
Demented as the motives in your **head**

**[Chorus]**

I would swallow my pride  
I would choke on the rinds  
But the lack thereof would leave me empty inside

I would swallow my doubt, turn it inside out  
Find nothin' but faith in nothin'  
Want to put my tender  
Heart in a blender  
Watch it spin 'round to a beautiful oblivion  
Rendezvous, and I'm through with you

### **[Bridge]**

I alone am the one you don't know you need  
Take heed, feed your ego  
Make me blind when your eyes close  
Sink when you get close, tie me to the bedpost  
I alone am the one you don't know you need  
You don't know you need me  
Make me blind when your eyes close  
Tie me to the bedpost

### **[Chorus]**

I would swallow my pride  
I would choke on the rinds  
But the lack thereof would leave me empty inside  
Swallow my doubt, turn it inside out  
Find nothing but faith in nothing  
Want to put my tender  
Heart in a blender

Watch it spin 'round to a beautiful oblivion  
Rendezvous, then I'm through, now I'm through with  
you

**[Outro]**

Through with you  
Rendezvous, then I'm through with you
