

A woman with dark, curly hair is smiling and spraying a mist from a bottle of dōTERRA Endless Summer Hair & Body Mist. The mist is visible as a fine spray around her head. The background is a soft, out-of-focus indoor setting with a window and a plant.

## Rose Sourcing: Bulgaria

Rose essential oil comes from **Rosa damascena**, grown in Bulgaria, a region known for more than **200 years of rose-growing heritage**. Each bloom is **handpicked early in the morning** and distilled the same day to help preserve the delicate aroma and benefits of the petals.

**10,000+** freshly picked rose blossoms  
produce one **5 mL** bottle of Rose essential oil.

Through **Terra Roza**, dōTERRA partners with local Bulgarian farmers while supporting community impact projects in the region through the dōTERRA Healing Hands Foundation.
