

FucoSLIM™

Ignite Your Fat Burn, Safeguard Your Liver, Balance Your Metabolism with FucoSLIM™

Algae-Based Natural Fucoxanthin Empowering Health with Anti- Obesity and Liver Protection

FucoSLIM™ is a premium brand specializing in natural fucoxanthin extracts and formulations, derived from *Phaeodactylum tricornutum* microalgae using sustainable cultivation and extraction processes. Our eco-friendly methods include closed-system photobioreactors cultivate biomass and extract active ingredients with Supercritical Fluid CO2 (SFC) technologies, ensuring high-purity fucoxanthin without solvents and contaminants. FucoSLIM™ offers oleoresins, cold-water-soluble powders, and nano-emulsions, ideal for nutraceuticals, supplements, and functional foods.

More Than Antioxidants – Comprehensive Benefits:

Fucoxanthin in FucoSLIM™ is renowned for its multifaceted health properties, backed by extensive research. Key benefits include:

- ✓ **Anti-Obesity:** Promotes fat metabolism, regulates GLP-1 levels to suppress appetite, and reduces white adipose tissue accumulation.
- ✓ **Liver Protection:** Exhibits anti-inflammatory and antioxidant effects to support hepatic function and prevent oxidative damage.
- ✓ **Additional Support:** Anti-diabetic (improves insulin sensitivity), anti-cancer (inhibits tumor growth), and overall anti-oxidative/anti-inflammatory actions.

Sourced from microalgae, FucoSLIM™ is fully vegan, non-GMO, and compliant with global standards for clean-label products.

Available in oleoresin (5-20%), CWS powder (2-5%), and nano-emulsion (0.5-1%) forms, it ensures easy integration into beverages, capsules, and gummies with excellent stability.

FucoSLIM™ natural fucoxanthin is positioned as a high-end raw material for **health-focused applications, emphasizing anti-obesity and liver health claims**. It supports premium formulations in North America, EU, and Asia markets, with customizable concentrations for optimal efficacy.

We provide flexible product lines to meet your needs, including **nutritional oils, dispersible powders, and clear emulsions** for seamless product development.

Our products enable potential claims positioned for your plant-based dietary supplements

Product Name and Description	Form	Product Code	Fucoxanthin Content	Packing Size (kg)
Microalgae Fucoxanthin Oil 5% Nutritional oil derived from microalgae	Liquid	MF-50	Min. 5% (50mg/g)	1, 5, 20
Microalgae Fucoxanthin Oil 10% Nutritional oil derived from microalgae	Liquid	MF-100	Min. 10% (100mg/g)	1, 5, 20
Microalgae Fucoxanthin CWS Powder 2% Cold water dispersible, free-flowing powder derived from microalgae	Powder	MF-2P	Min. 2% (20mg/g)	5, 25
Microalgae Fucoxanthin Nano-emulsion 0.5% Clear liquid emulsion derived from microalgae	Liquid	MF-0.5NE	Min. 0.5% (5mg/g)	1, 5, 25
Brownalgae Fucoxanthin Oil 5% Nutritional oil derived from brownalgae	Liquid	BF-50	Min. 5% (50mg/g)	1, 5, 20
Brownalgae Fucoxanthin Oil 10% Nutritional oil derived from brownalgae	Liquid	BF-100	Min. 10% (100mg/g)	1, 5, 20
Brownalgae Fucoxanthin CWS Powder 2% Cold water dispersible, free-flowing powder derived from brownalgae	Powder	BF-2P	Min. 2% (20mg/g)	5, 25
Brownalgae Fucoxanthin Nano-emulsion 0.5% Clear liquid emulsion derived from microalgae	Liquid	BF-0.5NE	Min. 0.5% (5mg/g)	1, 5, 25

* Main/active ingredient originating from natural materials. May contain formulation ingredients not matching "natural" definition.
