

Original Startups Collective Launchpad

Welcome to Original Startups Collective Launchpad, a borderless Metaverse Startup Launchpad that brings together a myriad of talent, startups, mentors, and investors onto a common space to create value for the community.

The OSC Launchpad is built upon AltspaceVR where you can access seamlessly through both the PC and through VR headsets in which you can interact with other members in full immersive experience.

Section 1) Access to Original Startups Collective (OSC) Launchpad and Event

To access the OSC Launchpad, you will required have the AltspaceVR app installed on your PC, Mac or headset such as Meta Quest.

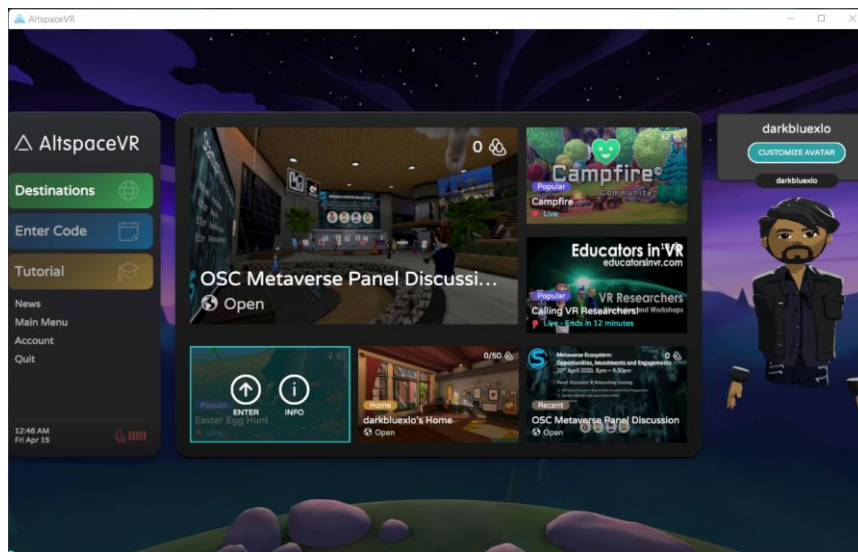

If you are a first-time user of AltspaceVR please follow the instructions in Sections 2-4 to register and download the AltspaceVR app.

If you already have an AltspaceVR account and are familiar with AltspaceVR, please proceed to log in to the event as per the instructions below:

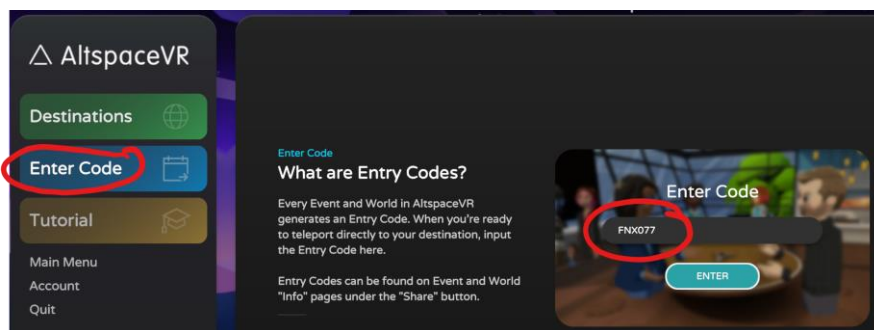

Joining the Event

- 1) After you have logged into AltspaceVR, you will see the main title screen as below.

- 2) Click on Enter Code and enter **FNX077** enter this Event.

For first time users

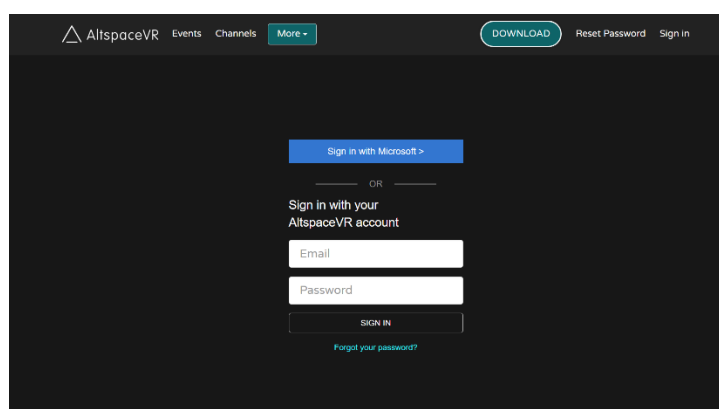

Section 2) Create AltspaceVR account

To access the OSC Launchpad, you will need to have AltspaceVR account with AltspaceVR installed on your PC, MAC or headset.

If this is the first time you are using Altspace VR, please allow for 20-30 minutes to set up your account and try out the navigation before attending the event.

For full immersive experience, it is highly recommended to use a headset. Meta Quest 2 would be highly recommended for a better experience.

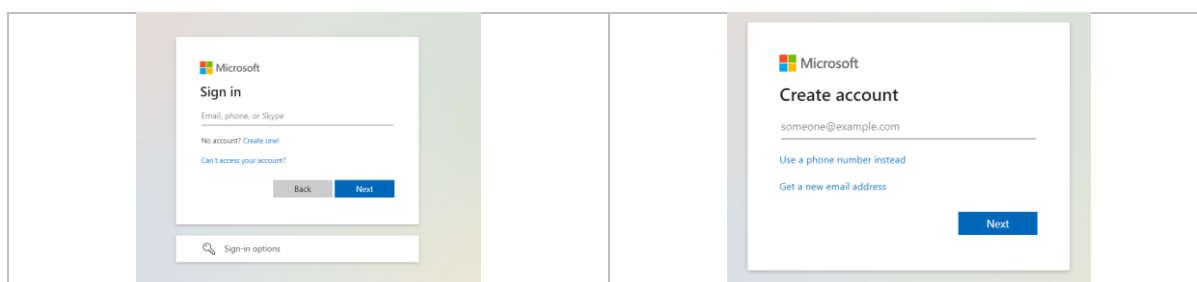

- 1) Visit <http://www.altvr.com>
- 2) Select Sign in (top right)

- 3) Sign in with Microsoft
- 4) You will need to use your personal Microsoft Account (cannot use work or school accounts) or **Create One***
- 5) You'll know you are properly Signed In when you see your email address between the Download and Sign out buttons along the top right of the website.

If you do not have a Microsoft Account, you will have to create one and then return to AltspaceVR App to log in

- 1) To create a Microsoft Account, Click on Create One and follow the instructions. After you have successfully created a Microsoft Account, you can then return to AltspaceVR to log in again.

Section 3) Download the AltspaceVR app

For Headset Users:

1. If you are a headset user, go to your app store such as Meta (Oculus) Quest Store and install **AltSpaceVR** and follow the instructions provided in the app to log in.
2. You will still need to connect your device to your Microsoft account. Please follow the instructions shown to you on your headset to do so.

For PC users:

- 1) Once you have properly Signed In via website, you can proceed to download the AltspaceVR app by clicking the **Download** button or at this link [Download AltspaceVR - AltspaceVR \(altvr.com\)](https://altvr.com) to download the app.

- 2) Go to your Windows Start Menu and type AltspaceVR and launch the programme.

For Mac Users

- 1) try the [AltspaceVR on Mac \(altvr.com\)](https://altvr.com)

Other Platforms

- 1) You can use other platforms such as Oculus Rift, Windows Mixed Reality, HTC Vive or Steam. For more information on alternative platforms visit [Download AltspaceVR - AltspaceVR \(altvr.com\)](https://altvr.com)

Section 4) Navigation

The following diagrams shows how you can navigate by using your keyboard if you are a PC user or using your handheld controller if you are using Oculus.
