Please contact us if you have any questions or if we can help further. PRODUCT REVIEWSKETTLE STORAGE - CAREKettler - Garden furniture coverings Our summer always comes with its fair share of rain. Souls are unpredictable and come at any time. Kettler pillows are not waterproof, however, Kettler believe that you don't need waterproof pillows on your garden set in order to beat the rain. Kettler is strongly recommended to take pillows indoors when not in use. Kettler pillows are safer and bigger is not waterproof. Pillows include an open cell foam nucleus that retains its shape for longer. Open cell foam is softer and more breathable than closed cell foam, but it absorbs water like a sponge. SO HOW DO YOU KEEP THE GIRI PILLOWS DRY? Use Garden Furniture Protective CoverKettler offers a wide range of protective covers for some of its garden furniture. All lids are specially equipped and include air pockets to reduce the accumulation of condensation under it. In the summer months, pillows can be left on the set, under the lid, but only if the pillows are dry. Kettler does not provide tailor-adapted covers for their metal garden furniture. Covering the mesh can be detrimental to the special, all-weather coating that is already put on the metal. If you have wicker or wooden garden furniture, and are looking for an alternative way to cover your set, it is recommended to use a breathable cover or store it in the garage, shed or room in the house. Enjoy year-round use by moving garden furniture to the conservatory during the winter months. Kettler pillows, umbrellas and protective covers have a 12 month Manufacturing Fault Guarantee tailored to pillows, umbrellas and protective covers come with a comprehensive 12 MONTH warranty against manufacturing malfunctions. Kettler pillows and umbrellas are not designed to be left outdoors and should be kept out of use. Conditions and conditions apply. Please note that no warranty requirements can be accepted without valid proof of purchase. You can find out more through the official Kettler website
