

ORDERING INFORMATION

RIGID HVAC CO., LTD

Prices and Ordering

- Order easily through our **Online Store** for both domestic and international purchases.
- All prices listed on the website are retail prices in U.S. dollars.

Availability of Products

- The website offers standard parts for sale.
- If you need a **customization service**, email us.
- Most products are in stock. After ordering, you'll get a confirmation email within 8 hours.
- Usually, your order ships the next business day.
- If an item is temporarily out of stock, we'll contact you for further instructions.

If you prefer alternative ordering methods

- Email your order to quinn@rigidhvac.com.
- Call us at mobile: 135 169 00044 (international: 0086-579-8837-9768)
- Purchase Orders are welcome with significant discounts for government, military, and large-volume orders. Email to ann@rigidhvac.com

Shipping & Payment

We prefer **FedEx**, followed by UPS and DHL. If you need expedited shipping, let us know, and extra charges may apply.

Online store accepts **PayPal** and **credit cards**. After ordering, you'll get an email confirmation detailing items, amount and shipping address. If your purchase is for resale or tax-exempt, please provide your tax ID.

Distributors

RIGID does not have any distributors as we feel it is better to have our customers consult with us directly.

We prefer direct customer consultation as our chillers and coolers are technical, and distributors may not have the expertise. We sell globally, so for assistance, please contact us directly with your inquiry.

If you have specific needs not listed on the website, please reach out to us: info@rigidhvac.com.

MINIATURE COMPRESSOR

ENDLESS POSSIBILITIES!

THE COMPRESSOR CHILLS OUT, YOUR DEVICE STANDS OUT.

12V COMPRESSOR **QX1901VDL** **\$210**

Voltage: DC 12V
Capacity: 110-360W
Refrigerant: R134A

[**SHOP NOW**](#)

24V COMPRESSOR **QX1902VDL** **\$220**

Voltage: DC 24V
Capacity: 125-400W
Refrigerant: R134A
