ESSENTIAL PRODUCT LICENSE INFORMATION

Thank you for buying this Steinberg product.
We hope you enjoy using your new software! Please read the following notes carefully – they will help you get the most out of your Steinberg software.

Your software?
Your license.

As for almost all software, the retail value you have paid is for a license to use this product. The license is activated on your Steinberg Key (USB protection device) by the Activation Code on the sticker below:
Always keep your unused Steinberg Key Activation Code or, once your Steinberg Key has been activated, your Steinberg Key, in a safe place!
Losing the unused Activation Code printed on this card or your Steinberg Key once activated can be the same as losing your product.

This is your Activation Code:

Cubase Essential 4 Retail

To activate your Steinberg Key for this software product, please follow the instructions in the "Steinberg Key for this card and the installation instructions in the product manual carefully. Keep this card handy while you go through the activation process.

Please register your product. Once you have done so, you are fully entitled to many benefits such as full support and product updates. Please visit the following URL to register your product now: www.steinberg.net/registration

The Steinberg website regularly features product updates and special offers, so please make sure to check regularly.
