

Winsoft PDFium Component Suite 5.2 Cracked

Trace Unlimited YouTube Videos Rankings For An Unlimited Number Of Keywords

Stop Marketing On YouTube Like You Live In 2010!

Times have changed! Now YouTube is a REAL search engine. A lot of YouTube marketers still believe that you can do YouTube marketing just by uploading videos and hope you will get views and leads.

You can't make a living from YouTube by **working in the dark!**

The first step is to see exactly how are your YouTube videos are performing. You need to **track your video rankings** in order to be able to **maximize your video potential**.

We are being grateful to WarriorForum, you helped us when we were opening threads like "How can I make \$5/day".

Now we want to give you something back!

Trace Blaster Regular License is FREE for all of you!
we will support all the development, maintenance and support 1 year!

How will Trace Blaster help me?

- ▶ Track all your YouTube Videos Ranks
- ▶ Track your ranking trends over time and see if your ranks increased
- ▶ Trace unlimited number of videos and keywords
- ▶ Find if your YouTube videos are ranking in Google SE
- ▶ Track you video views across time
- ▶ Find if other YouTube videos are ranking in Google for your keyword
- ▶ Track you video comments number across time
- ▶ Sort your video list after keywords, video id, views
