~Kara Bundy, Deputy Director
CASA/Prince George's County

Naeemah is an outstanding CASA volunteer trainer. She is credible, knowledgeable, and accessible, and she educates in a participatory and sensitive way that helps people gain confidence as well as a sense of camaraderie. She affirms trainees when they come up with something correct or valuable, and gently challenges them when they misfire. As someone who has done a lot of thinking during the past two years about what it take to do adult education effectively, I give her very high marks.
