[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

## [Verse 1]

Hey, look over yonder out in the rain  
Soaking wet fever in my **brain**  
Now, I ain't certain which way to go  
But I got to move, sure

## [Chorus]

**Feeling blue, blue, blue, blue, blue [x3]**  
I'm feeling blue. I'm feeling blue

## [Verse 2]

Hey, look over yonder behind the wall  
They're closing in I'm about to fall  
Now I'm no coward, but I ain't no fool  
Feel it in my bones, my book is due

## [Chorus]

Hey, look over yonder, up in the tree

There's a rope hanging just for me  
Without a warning, without a warning  
Things are piling up to break me down

**[Chorus]**

Hey, look over yonder, out in the street  
People laughing by, walking easy  
Now, I'm no sinner, but I ain't no saint  
If it's happy, you can say I ain't

**[Chorus]**

**I'm Feeling blue [x6]**
