## **[Chorus]**

You know the night time, oh, is the right time  
(Why do they, why do they?)

To be with the one you love (Why do they, why do  
they?)

I said the night time, ooh, is the right time (Why do  
they, why do they?)

To be with the one you love (Why do they, why do  
they?)

I said the night time, ooh, is the right time  
(Why do they, why do they?)

To be with the one you love (Why do they, why do  
they?)

## **[Verse]**

Baby, (Why do they, why do they?)

I said a baby, (Why do they, why do they?)

Baby (Why do they, why do they, why do they?)

Come on and drive me crazy, Lord (Why do they?)  
You know I love you always thinking of you  
(Why do they, why do they?)  
Hey, baby oh, I said a baby (Why do they, why do  
they?)  
You know the night time is the right time  
(Why do they, why do they?)  
To be with the one you love (Why do they?)  
Aaaah I wanna sing this song!

### **[Chorus]**

I said the night time, (Why do they, why do they?)  
Oh, is the right time  
(Why do they, why do they?)  
To be (Why do they, why do they?)  
With the one you love (Why do they, why do they?)  
I said the night time, (Why do they, why do they?)  
Ooh, is the right time  
(Why do they, why do they?)  
To be (Why do they, why do they?) with the one you  
love (Why do they, why do they?)  
I said the night time, (Why do they, why do they?)  
ooh, is the right time  
(Why do they, why do they?)  
To be with the one you love

Thank you
