

For Immediate Release:

The Future of Bitcoin Conference 2017

Arnhem, The Netherlands
June 30 - July 1

Early Bird Conference Tickets now available with Bitcoin

Tickets are now available online for The Future of Bitcoin Conference 2017 in Arnhem, The Netherlands at the WTC-Arnhem. This will be a great event for attendees and presenters alike - combined with good food in a relaxed environment.

Developers, development teams and researchers from all over the world will be discussing and sharing their knowledge, experience and information on the great work being done to better understand and improve the global Bitcoin network.

Many projects and implementations will be represented at this conference, where everyone will have the opportunity to meet, discuss, share knowledge and most importantly to learn, during these two days of presentations, panels and face-to-face discussions on the Future of Bitcoin.

Arnhem is the perfect backdrop for this Conference. Located near the river Rhine, overlooking the bridge that played a big role in 20th century Europe's history. Known as **Arnhem Bitcoin City** there are over 100 Bitcoin accepting merchants, a modern conference venue, train station, a lively historic centre, hotels and a beautiful park all in walking distance.

On June 29th attendees and presenters will be welcomed at the WTC-Arnhem to collect their conference package, meet others while enjoying drinks and snacks.

Friday June 30 and Saturday July 1 - The conference days will start with breakfast, followed by a day of presentations and discussions. Breaks will allow for one on one discussions while enjoying good food. Friday will end with a dinner in the WTC restaurant. Saturday the conference will wrap up with a relaxed BBQ party in walking distance of the WTC.

Tickets are now available on the website:
