- Charities must be registered, but not all registered charities qualify, for instance private schools, universities etc. Please enquire with the office. St Paul's Church and Community Centre reserves the right to decide which charities qualify at all times.
- Rooms must be booked to include time for setting up and clearing away.
- For events that require exclusive hire of the whole building (e.g. Weddings) – please contact the office to discuss your requirements. There is a set wedding package fee.
