

TechInnovation 2025 Media Factsheet

TechInnovation 2025, returning for its 13th edition, is the flagship annual event of IPI Singapore and the region's premier platform for enterprises, startups, and corporates to connect with innovation opportunities that drive growth. Since 2012, TechInnovation hosted 30,000 innovators, business leaders, and enterprises, showcased more than 3,000 technologies and involved more than 100 partners from over 50 countries, establishing itself as a trusted marketplace for technology adoption and business transformation.

Taking place from 29 to 31 October 2025, TechInnovation will convene global thought leaders, corporates, SMEs, universities, and government agencies to spotlight market-ready solutions and real-world business impact.

TechInnovation® is a registered trademark of IPI Singapore, a subsidiary of Enterprise Singapore and catalyst of Singapore's open innovation ecosystem.

Highlights of TechInnovation 2025

Theme	Discover, Connect, Collaborate The theme of TechInnovation 2025 reflects the critical needs of enterprises today: to discover technologies that can transform their business, connect with global partners who can accelerate growth, and collaborate to turn bold ideas into market-ready solutions. In a region where the digital economy is projected to exceed USD 300 billion by 2025 and ASEAN is set to become the world's 4 th largest economy by 2030, these three pillars are essential for businesses to stay competitive and be future-ready. Visitors of TechInnovation 2025 can look forward to: • Discover 100 emerging technologies alongside more than 4,000 attendees expected at the event. • Connect with 40+ visionary speakers, global innovators, solution providers, and business leaders from over 40 countries. • Collaborate to unlock game-changing opportunities through curated platforms such as crowdpitching sessions and exhibition showcases.
Why TechInnovation 2025 matter?	TechInnovation 2025, organised by IPI Singapore, is more than an event. It is a platform that: • Helps enterprises cut through complexity and focus on what matters. • Enables SMEs to future-proof growth through practical innovation adoption. • Positions Singapore as Southeast Asia's cross-border innovation hub.

	Brings innovators, corporates, and SMEs together. TechInnovation 2025 ensures that bold ideas translate into real business impact.
Key Highlights	Crowdpitching & TechSpotlight At TechInnovation, <i>Crowdpitching</i> and <i>TechSpotlight</i> put breakthrough ideas centre stage - where startups and SMEs pitch to industry leaders, corporates, and investors, and enterprises explore ready-to-deploy technologies with real market. Keynotes & Panel Discussions Global thought leaders and experts share insights on emerging technologies, market shifts, and innovation trends—helping businesses distinguish between hype and reality and prepare for what lies ahead. Innovation Advisory Clinics by IPI Singapore Dedicated clinics where IPI's advisors guide enterprises on technology adoption, commercialisation, and scaling strategies tailored to their business needs.
New for TechInnovation 2025	Technology showcase This year's TechInnovation introduces interactive booths, a new feature where select exhibitors present ready-to-market technologies. The showcases make innovation tangible, sparking conversations and giving SMEs the chance to build credibility and connect with potential partners. SMEs in the Spotlight While TechInnovation has always centred on SMEs, this year's programme introduces a full day focused on their innovation journeys — featuring real-world challenges, successes, and insights to help businesses scale confidently.
Organisations that Participated at Past Editions	Some of the organisations that have participated at previous editions of TechInnovation include: - Embassy of Finland - High Commission of Canada - Embassy of Belgium - Embassy of the Netherlands - Embassy of Norway - Hong Kong Science & Technology Park Corporation, Hong Kong - Program Management Unit for Competitiveness, Office of National Higher Education Science Research and Innovation Policy Council (PMUC), Thailand

About TechInnovation 2025

Returning for its 13th edition, TechInnovation 2025 is the flagship event of IPI Singapore, connecting technology seekers and providers across Asia. The event serves as a dynamic marketplace for co-innovation and tech adoption, drawing participation from startups, SMEs, corporates, universities and government agencies.

This year's theme, "*Discover, Connect, Collaborate*" underscores TechInnovation's mission to drive growth through discovery, global connection and collaboration. The event will feature over 40 speakers, more than 100 technologies and 3 days of programming designed to scale real-world business innovation. TechInnovation is organised by IPI Singapore, a subsidiary of Enterprise Singapore and catalyst of Singapore's open innovation ecosystem.

TechInnovation® is a registered trademark of IPI Singapore.
