“Finding The Light In The Darkness”

It is likely that you or someone you know suffers from depression. As 2020 brought significant changes to our ability to socialize and be in community with others, that number has TRIPLED since the beginning of COVID. But don't despair, next month Melissa Schultz will be teaching us how to find the light in the darkness and be equipped with tools we can use when darkness seems to permeate our everyday lives.

Melissa Schultz is the Director of the Coulee Region Women with Purpose chapter. She operates a coaching business, a virtual assistant business, and leads a team of wellness advocates sharing her passion for integrative medicine. Melissa is passionate about helping busy, faith-based entrepreneurs who are feeling overwhelmed and frustrated, to break through the barriers that hold them back from living a confident, joy-filled life so they can implement all their great ideas and dreams.

Purposeful Partner for May, 2021

The Foster Closet located in Menomonie, WI, provides clothing and other basic necessities to children and young adults entering foster care. Children often come into a care home with nothing but the clothes they are wearing and are leaving behind their favorite blanket, toy, pet and loved ones. This can be a very traumatic time. Simple things like providing a Welcome Bag as a child enters foster care can be just enough to give them a sense of hope during a confusing time. This is a free service for foster families, children and social workers and is 100% reliant on donations from the community that serves children in West Central Wisconsin. No child is turned away.

Most needed tangible items include:

- New Men's Underwear size XS to L
- New Women's Underwear size XS to L
- Water bottles for welcome backpacks
- Single subject notebooks for school supply program.
- Medium to Large duffle bags

Monetary donations are also appreciated and can be donated on our website during registration or given at the May 19th luncheon.
