For more information, see our privacy policy.x good quality, bold book. Love play and how light it is, so this is a great addition, especially as I collect art books. It's not the ultimate fantasy sky, but it's clearly reflected in the price. Â£19.99 would be fine, so it steals at amazon prices around Â£13.It's a shame there is no further interpretation, as there is quite dense commentary on the character pages and that's about it. There were issues with orders and delivery, but this should not affect the product's own review. Mine came with a streak. One of the main character pages is that I'm not very happy about, but can't say if this is a printing error or due to delivery issues. Issues.
