Twelve Christmas days, from supermarkets to television commercials to church functions, are heard everywhere during the holidays. Everywhere you go, you can hear about two turtle pigeons, seven swan-a-swimming and eleven pipers in the pipeline. But what does that mean? What does a song about pigeons, chickens and goose have to do with Christmas? Carol has its roots in 18th century England, as the memory and confiscation game sang British children. In the game, players had to remember all previous lines and add a new line at the end. Those who can not remember the verse paid a non-refundable, kiss or a piece of candy to others. Advertising One Theory, however, connects carol to an era when Catholicism was banned in England, between 1558 and 1829. Carol, they say, was a catheter song for Catholics to learn their faith tenets because they could not openly practice Anglican society [source: Snopes.com]. While many still have the idea of coded hymns to be true, there is no substantive evidence that this was the case, nor is there any evidence that the lines contain anything uniquely Catholic. Here are the lyrics of the song, along with their supposed symbolism [source: BBC.com]: Pear Tree Partridge - Jesus ChristTwo Turtle Pigeons - Old and New TestamentThree French Hens - Three Virtues of Faith, Hope and CharityFour Calling/Colle Birds - Four Gospels, Matthew, Mark, Luke and JohnFive Golden Rings - First five books of Old TestamentSix Goose-a-Resurfacing - Six Days of Creation before the rest of God on the seventh day of Seven Swans-a-Swimming - Seven Gifts of Holy SpiritEight Maids-a-Milking - Eight BeattitudesNine Ladies Dancing - Nine Fruits Holy SpiritTen Lord s-a-leaping - Ten CommandmentsEleven Pipers Piping - Eleven faithful disciplesTwelve drummers Drumming -Twelve points of faith in the Apostles Creed Although these verses are what many of us associate with twelve days of Christmas, the phrase means an actual 12-day period.
