It's not their fault . . . they don't realize that that tree they see is actually in the shopping centre or that the seating isn't something they can recline on. They also want to be where the food is and of course, we can't blame them!</p> <p>Unfortunately, what this means is that, effective May 1, 2016, we will no longer be able to open our doors to doggies at BV.*</p> <p>We sincerely hope you understand. We love Fluffy very much but we do need to act in the best interest of both our customers and our merchants at this time.
