## EMPOWERING YOUTH THROUGH FOOTBALL

Since 1997, the Sylvan Lake Minor Football Association (SLMFA) has been more than just a sports organization—we've been a cornerstone of youth development in our community. For over 25 years, we've provided young athletes aged 9 to 18 with opportunities to learn, grow, and compete through the game of football. Our program instills values of leadership, teamwork, discipline, and commitment, both on and off the field.

Each season, we engage over 100 local families who support our mission to foster personal growth and community spirit among Sylvan Lake's youth. Our home games attract between 150 to 400 enthusiastic fans, creating a vibrant atmosphere that celebrates athleticism and community involvement.

Many SLMFA volunteers have witnessed young athletes move through the program from elementary students to high school graduates. We turn out amazing young people and are proud to see a number that return home and become coaches and volunteers themselves with our program.

As a sponsor, you're not only promoting your business but also playing a pivotal role in shaping the leaders of tomorrow. With your help we can continue to provide a positive and enriching environment for young Sylvan Lakers' through the sport of football.
