.. Spider-Man ... Man. Preview/Walkthrough Walking through the Museum of Technology, you come upon a security camera with a device attached to it. You move on, getting trapped in a side room. Peering in the room through a window, you notice a camera and an access panel nearby. You look around the room, finding other access panels and a trapdoor. You pull the camera off of the wall, and look through the access panel. It's an alarm control panel. You pull the camera out, and look at it. The keys aren't there. You open the trapdoor to get out of the room. Outside, you look around the room, finding a green portal. You step through the portal, entering a room you know is a room on the other side of the museum. After searching the room a bit, you hear a noise. You look in a closet. You notice a locker, and notice something in the locker. You pull it out, finding the camera. Walking through the museum, you come across a security control panel. You notice a door, and go in. You see a camera, and pull out the camera. Looking around, you find a switch on the wall. Pulling the camera, you find a keypad. You pull out the camera, and look at the keypad. It has numbers. The number of the locker, 41. You pull the camera, and look at the numbers. You press the "8" key. The numbers change to 4. You press the "4" key. The numbers change to 8. You press the "1" key. You look at the numbers. The numbers change to 1. You press the "8" key again. The numbers change to 3. You press the "1" key. The numbers change to 1. You press the "8" key again. The numbers change to 2. You press the "8" key again. The numbers change to 1. You press the "8" key again. The numbers change to 1. You press the "8" key again. The numbers change to 1. You press the "8" key again. The numbers change to 1. You press the "8" key again. The numbers change to 1. You press the "8" key again. The numbers change to 1. You press the "8" key again. The numbers change to 1. 520fdb1ae7
