Share Welcome to Clicker Heroes WikiHere, you can find information about the game Clicker Heroes andyou can write everything you know about it to help us expand the wiki we are currently editing 151 pages with a total of 60,707 changes, and we need all the help we can get Today is Sunday, December 27, 2020, 21:48 (UTC) Kill monsters, collect gold, upgrade heroes, use skills, find treasures, kill bosses and explore new worlds in this epic adventure! Clicker Heroes Official Home Page Play directly on the official website or one of the hosts below! The latest activity in Clicker Heroes is an idle game made by the creators of Playsaurus, Cloudstone, once popular with MMORPG. Some features include export/import feature, mute, lower quality option, manual and auto-recording, offline progression, hard playback, achievements, statistics, skill bar, 54 heroes, and the ability to sacrifice privileges. Home ClickerHeroes Wiki Community Content is available under CC-BY-SA unless otherwise stated. In: Articles needing quotes, Clicker Heroes English Comments Share Like many other games, Clicker Heroes has a few Easter eggs (or links) to come across while playing. Here is a list of those who have been found so far: Heroes of Abaddon mean complete destruction in the Hebrew language, and is the name of the abyss angel in the New Testament. Alabasteris can refer to 2 minerals, gypsum and calcite. Alabaster is also sometimes used to describe white. Amenhotep is the name of four different pharaohs who reigned in Egypt, most famous as Akhenaten né Amenhotep IV, the father of Tutankhamun. Aphrodite, the Goddess of Love is the goddess of love in Greek mythology. Astraea is the virgin goddess of innocence and purity in ancient Greek mythology. It is often associated with the victory of the Greek goddess, Nike. She was the last of the immortals who lived with people in the golden age (and therefore its color). Athena, the Goddess of War, among others, is a reference to the Goddess of Greek wisdom and strategic war. But her temperament here is similar to the temperament of Ares, the Greek god of war. Atlas is a reference to Greek titan astronomy and navigation. It is also most likely a reference to the kingdom and the academy of the same name from RWBY. In addition, his last two updates may be a reference to Team Fortress 2, as Medic can call players, and medics can use a voice line fully charged to show that their übercharge is full. Bety Clicker is a reference to Betty Crocker, cookbooks and product line. Bobby Bount Hunter is a possible reference to the character Boba Boba Bounty Hunter from the Star Wars series. It's also a reference to white knight Lewis Carroll's Through the Looking Glass (And What Alice Found There), which performs a bizarre counterpunkation on her shoulder and constantly falls head first to the ground. Brittany, the Princess of The Beach, could be referring to the well-known lyrics of Brittany Spears' song became a meme, this Brittany b**ch. Broyle Lindeoven, once pronounced sounding like a broil in the oven, installing his Fire Wizard theme. Cadmia may refer to Cadmia, zinc oxide collected in furnaces where copper or brass has been melted, or cadmmis, metal similar to zinc and mercury. Cid, Useful Adventurer is a possible reference to the recurring characters cid of the Final Fantasy game series, which appears in almost every game and helps the team on their quest. Cid's name may also be the name of Click Damage, which is the first and last letters of Cid. It may also refer to the historic leader of the army, El Cid. During the steam release game, Cid was pictured wielding a crowbar. It was a reference to the character Gordon Freeman from the game series Half-Life, produced by Valve, the owners of Steam. Brittany, a beach princess was also pictured with her head covered in headcrab, a monster of the game. 8 heroes unlocked after Dread Knight is a poke at the TV series, Power Rangers. Grant, The General is a possible reference to Ulysses S. Grant, an American Civil War general and 18th president of the United States. Gloves gilded version of Ivan, Drunk Brawler is Bleeb from Cloudstone, another game in Playsaurus. King Mead was the king of Phrygia, who according to Greek mythology had the power to turn everything he touched into gold. (Cursed...) Leon is referring to the cowardly Lion from the book Wonderful Wizard of Oz. Liin most likely references Neon Genesis Evangelion, in which humanity is called Liin, or Children of Liith. Lilih is usually portrayed as succubus, which explains Lilih's taste in the text about charming people. Orntchya Gladeye, Didensy Banana, once pronounced being the punchline of an old blow joke. that goes knock knock. What's there? Banana. Banana what?, repeat about 5 times then say Orange and then orange you're glad I didn't say banana? Not surprisingly, its color is orange. Phthalate is named after phthalo green, a synthetic green pigment used in paints. The Phthalo update pesticide text mentions someone named Ruben ruining his sandwich. Reuben is a hot sandwich made from salted beef. Referi Jerator, when pronounced, sounds like a refrigerator, mounting his Ice Wizard theme. Shinatobe, Wind Deity is a reference to the winds of the Japanese goddess. Terra stands for Earth in Latin, Italian and Portuguese (also land). It also concerns the gaia version, the personification of the earth. That's why he's so teal. Tsuchi's Japanese philosophy means Dirt. In addition, digging holes for no apparent reason and eating onions lizard repellent can be a reference to the holes in Louis Sachar's book. Sir George II, the King's Guard can turn to an episode of James II's adventure time, when the titular character (with II) plays the role of bodyguard in Princess Bubblegum, earning her ire and then her grace through her actions. Wepwawet is an Egyptian deity associated with war (as a scout), then death opens the way to the afterlife. Skogur stands for the word skögur, which in Icelandic means Forest. Cadu and Ceus, when combined, form the word Caduceus, the staff of the Greek god Hermes, who had two snakes. Maw is synonymous with Mouth. Ancient Argaiw, an ancient reinforcement, is viagra written back. Alman, the ancient soul, refers to Alman, a soul/self-Hindu philosophy. Berserker, an ancient rage, refers to the North Berserkers and their powerful battle rage. Bhaal, ancient murder, is a reference to the countertop RPC, the lost realms where the deity of the same name is known as the lord of murder. He also referred to the CRPG series Baldur's Gate as the protagonist's father. The final source of the name is probably Baal, the ancient Semitic word (meaning the Lord), used to refer to various gods. Bubos, an ancient disease, is a reference to the bubonic plague. Chawedo, ancient agitation, may be referring to the document's complete anagrama: Chawedo Nuijre. because this anagrama is one that most minds spin because it relates to an unknown language. Chronos, Ancient Time, is a reference to the time of Greek personification (not to be confused with Titan Kronos, although it would suit because it could control time). This word is the root of many words that relate to time, such as timeline, stopwatch, etc. Doogco, ancient Thrift, is playing a nickname at one of the creators, Doogoo, to describe its cheapness. Dora, Ancient Discovery, is a reference to the children's TV show, Dora the Explorer. This may also be a reference to pandora's box with the ability to make more treasure chests. Eernog. An Ancient Battery, could be a reference to fancy life energy transformers. Fortune, the antiquity of chance, means the goddess of success in Roman mythology. This could also be a reference to the show Wheel of Fortune, whose ancient forms are like a circle. Fragsworth, ancient Wrath, is simply the pseudonym of one of the game's creators. To frag is to kill, mounting an ancient wrath. Hecatontcher, ancient Wallops, comes from the Greek word Hekatonkeires, which stands for a hundred hands. In Greek mythology, they were giants, saying each has a hundred hands and fifty heads. Juggernaut, Ancient Momentum, May in definition, a huge, powerful and immense force or a character in the Marvel X-Men comic series. Kleptos, ancient thieves, comes from greek kleptos, that is, thief (who also gives us Kleptomania). Kumawakamaru, in ancient shadows, most likely referring to Hino Kumawaka, née Kumawaka-maru, who was most famous for avenging his father's killing of a lay monk while the monk was asleep. The part of the title -kamaru can also be a reference to the character Shikamaru, who can manipulate shadows from anime Naruto. Libertas, the Ancient Of Liberty, the Latin word for freedom, refers to the Roman goddess of political freedom, separating freedom from the enslaved. Mammon, ancient Greed, represented by greed, often incarnated as a deity or demon (one of the seven princes of hell). Comes from the abyss of the word riches/money. Mimzee, an ancient riches, may be referring to the movie, The Last Mimzy. [quote required] Morgulis, ancient death, is a reference to George R.R. Martin's book series, An Ice and Fire Song. Faceless men, in the order of murderers, say: Valar Morgulis, a common greeting means all people must die in High Valyrian. The same quote can be seen from mercenaries from time to time when they are sent to searches. Nogardnit, ancient in moderation, is the reverse spelling moderator of the Clicker Heroes subreddit. Pluto, an ancient asset, has a red pixel on its knees, which may be a reference to the red spot on the planet Pluto's moon, Charon. Since it is an asset to ancient it is most likely a reference to the death of the Roman God and the riches of Pluto. Revolc, Ancient Luck, is clover written back. This refers to the four-leaf clover, which are symbols of success. Siyalat, the ancient abandonment, when pronounced, sounds like we'll see you later in terms of idle. Snjperino, with ancient precision, is a reference to the word sniper, a skilled military shooter that spots and takes out enemy soldiers from a hidden place. -part of the course may be a reference to the trend of Twitch, where many words in this way end in a comical way (e.g. copierino pasteur), used by the personality Kripparian. Which in turn may be a reference to the Simpsons character, Ned Flanders, who has a common feature of end words with a -ino suffix, i.e. Nutterino Vaagur, ancient impatience is named after post user Reddit Vaagur, who often made posts asking about the release date version 0.12. Outsiders Ponyboy is referring to the novel Outsiders S.E. Hinton who the protagonist is named Ponyboy. The novel ends with another character telling him to stay gold, Ponyboy. (Ponyboy status is gold in the statistical section when Ponyboy is above level 19.) Phandoryss seems to be a translation area that ood from a doctor who uses to communicate. The sphere of the show connects to the head lubricated, much like Sen-Akhan may be referring to indian actress Sena Khan, who was once a deodorant promotion. When you open the Extraneous tab, any part of the monster screen that is not part of the zone becomes stary, such as outer space. When you open the Extraneous tab, the music stops and only sound effects are heard. Relics A few relics can be seen on the heroes themselves. Centurion Bosses Ormeet wire back a reference to League of Legends champion Teemo, a small yordle that is hated across the lands because of his ultimate skill. Woodchip, a rodent is a reference to Splinter, a teenage mutant ninja turtles teacher. The description of the achievements says: He used to be a master of Kung Fu, but he really let himself go. Probably one too many pizzas. Doppler, the robot is a reference to Doppler's radar. Error 500 is a common error in the computer system that is the zone where it is located. This may be why it doesn't work like that. Rashon, Duke is referring to Roshan from the game Dota. The description of the achievements refers to the team that kills Roshan to receive the Immortal Award Aegis, which gives the holder an extra life. It is also possible that this is a secondary reference to Roshan, which is a direct reference to Baron Nashor from the game League of Legends, which itself is a reference to Dota Roshan. (as suggested in the title of Duke) Dark Wizard is an enemy called Dragon Rider of the Playsaurus game. Cloudstone, The description of achievements mentions that he is a legendary boss from another sphere. Tako is a Japanese-language octopus. In the description of the achievement of the taco return, the text states: This is not even its final form. This is the most likely reference to the TV series Dragon Ball Z, as well as a popular online meme. Lagomorph of Caerbannog is a reference to Killer Rabbit of Caerbannog from the film Monty Python and the Holy Grail. Lagomorph is a taxonomic order that rabbits belong to. The 108 Hero Souls award to this bass may also be a reference to suikoden's game series, or perhaps a reference to the title of the TV show Hero: 108, which used to be a cartoon network, 108 is also a lot of Buddhist theology. Mercenaries dogmeat is likely a reference to the fictional character(s) fallout series Leery Jenkins is referring to the character/Meme of World of Warcraft with the same name. Stat tabs statistics are how much Leeroy Jenkins's got buried. There is also the achievement of burying one. Voldemort references the Harry Potter book series, whose main antagonist is also called Voldemort. Link and Zelda are links to Nintendo's Legend of Zelda series. Sufail and Arteece are links to Sumail and Arteezy, competitive players of the popular game Dota 2. EyesFrod may be a reference to IceFrog, lead developer of Dota 2. Nosftrat, McNitby, Sparky and Jayeeyee are all subreddit usernames of former moderators clicker heroes. Some quotes mercenaries say when going on a mission are references: Valar Morghulis of George R.R. Martin's A Song of Ice and Fire book series, is a greeting to the High Valyrian, translating into: All people must die. My Life for Aiur is a phrase that is usually said by zealots from the popular game Starcraft. Zug zug is a phrase that is usually said by orks from the popular game Warcraft III. Quote used in mercenary death: For standing VACation. This means Valve (Steam owners) and its VAC system, and as vac insurance is called VACation. Bit the dust is probably a reference to the Queen's song and is a euphemism for the dead. Various rarest meeting game Secret Kappa Boss: When you reach the boss level, there is a very small chance that instead of spawning a normal boss to that level, he will spawn kappa boss instead. This is the enemy of Turtloid Warlock with twitch.tv Kappa emote on his face. Shift/Ctrl/Z/Q click on enemy results sayings like NOPE, U LOSE, LOL, CRITICAL MISS, NICE TRY, MAYBE NEXT TIME AND ZERO DAMAGE (despite having regular damage in one click). This is because pressing one of these buttons will equal 10/25/100/Max times. Some players thought that maybe if they move the clicked enemy, it would simulate 10 clicks. With Orntchya Gladeye, Didensy Banana gold-plated, there's a neat trick you can do with your name. It's so long that it doesn't fit into a single line in which Orntchya Gladeye, Didensy, only. However, scroll up and down several times until you see that the last part of her name appears, showing Banana. If you start a new game, you can see the secret boss at some secret level in 1/10 seconds - Megatron Ultralisk Oltrus. It seems that Megatron is a series of transformers, Ultralisk seems to be from the StarCraft gaming series, while Oltrus may also have an ultrus spell from the game Dragon Quest VIII. Ultrus can also be an Ultra spell misrepresentation, which is a recurring octopus character in the Final Fantasy game series. Megatron Ultralisco Oltrus. A secret level called gosh forest. Apparently, it shows 15/20 enemies killed, 25.00 timer, and 999,999,999,999 HP, without the HP share displayed. It looks like the health bar is empty. In the lower right corner there is also a pink gift box, which appears in ten zones, starts from zone 100, and when clicked, gives a random gilded hero. It is always at level 1. It is displayed only ~0.1 seconds before the game data is loaded. Levels/zones 81-90 in the Astral Rift area, as well as in the Desert, Mudlands and Immortal areas. On the mobile version of the game there is a chance that instead of a normal bass from crossy road character spawn Possible spawning characters include Crossy Chicken, Hipster Whale, Rusty Robot and Floppy Fish, all of which are from Crossy Road. When you open the menu to buy rubies is an image of a Cloudstone shopkeeper, the game Playsaurus Trivia Kappa boss has added a patch of 0.04. The part of the title -kamaru can also be a reference to the character Shikamaru, who can manipulate shadows from anime Naruto. Libertas, the Ancient Of Liberty, the Latin word for freedom, refers to the Roman goddess of political freedom, separating freedom from the enslaved. Mammon, ancient Greed, represented by greed, often incarnated as a deity or demon (one of the seven princes of hell). Comes from the abyss of the word riches/money. Mimzee, an ancient riches, may be referring to the movie, The Last Mimzy. [quote required] Morgulis, ancient death, is a reference to George R.R. Martin's book series, An Ice and Fire Song. Faceless men, in the order of murderers, say: Valar Morgulis, a common greeting means all people must die in High Valyrian. The same quote can be seen from mercenaries from time to time when they are sent to searches. Nogardnit, ancient in moderation, is the reverse spelling moderator of the Clicker Heroes subreddit. Pluto, an ancient asset, has a red pixel on its knees, which may be a reference to the red spot on the planet Pluto's moon, Charon. Since it is an asset to ancient it is most likely a reference to the death of the Roman God and the riches of Pluto. Revolc, Ancient Luck, is clover written back. This refers to the four-leaf clover, which are symbols of success. Siyalat, the ancient abandonment, when pronounced, sounds like we'll see you later in terms of idle. Snjperino, with ancient precision, is a reference to the word sniper, a skilled military shooter that spots and takes out enemy soldiers from a hidden place. -part of the course may be a reference to the trend of Twitch, where many words in this way end in a comical way (e.g. copierino pasteur), used by the personality Kripparian. Which in turn may be a reference to the Simpsons character, Ned Flanders, who has a common feature of end words with a -ino suffix, i.e. Nutterino Vaagur, ancient impatience is named after post user Reddit Vaagur, who often made posts asking about the release date version 0.12. Outsiders Ponyboy is referring to the novel Outsiders S.E. Hinton who the protagonist is named Ponyboy. The novel ends with another character telling him to stay gold, Ponyboy. (Ponyboy status is gold in the statistical section when Ponyboy is above level 19.) Phandoryss seems to be a translation area that ood from a doctor who uses to communicate. The sphere of the show connects to the head lubricated, much like Sen-Akhan may be referring to indian actress Sena Khan, who was once a deodorant promotion. When you open the Extraneous tab, any part of the monster screen that is not part of the zone becomes stary, such as outer space. When you open the Extraneous tab, the music stops and only sound effects are heard. Relics A few relics can be seen on the heroes themselves. Centurion Bosses Ormeet wire back a reference to League of Legends champion Teemo, a small yordle that is hated across the lands because of his ultimate skill. Woodchip, a rodent is a reference to Splinter, a teenage mutant ninja turtles teacher. The description of the achievements says: He used to be a master of Kung Fu, but he really let himself go. Probably one too many pizzas. Doppler, the robot is a reference to Doppler's radar. Error 500 is a common error in the computer system that is the zone where it is located. This may be why it doesn't work like that. Rashon, Duke is referring to Roshan from the game Dota. The description of the achievements refers to the team that kills Roshan to receive the Immortal Award Aegis, which gives the holder an extra life. It is also possible that this is a secondary reference to Roshan, which is a direct reference to Baron Nashor from the game League of Legends, which itself is a reference to Dota Roshan. (as suggested in the title of Duke) Dark Wizard is an enemy called Dragon Rider of the Playsaurus game. Cloudstone, The description of achievements mentions that he is a legendary boss from another sphere. Tako is a Japanese-language octopus. In the description of the achievement of the taco return, the text states: This is not even its final form. This is the most likely reference to the TV series Dragon Ball Z, as well as a popular online meme. Lagomorph of Caerbannog is a reference to Killer Rabbit of Caerbannog from the film Monty Python and the Holy Grail. Lagomorph is a taxonomic order that rabbits belong to. The 108 Hero Souls award to this bass may also be a reference to suikoden's game series, or perhaps a reference to the title of the TV show Hero: 108, which used to be a cartoon network, 108 is also a lot of Buddhist theology. Mercenaries dogmeat is likely a reference to the fictional character(s) fallout series Leery Jenkins is referring to the character/Meme of World of Warcraft with the same name. Stat tabs statistics are how much Leeroy Jenkins's got buried. There is also the achievement of burying one. Voldemort references the Harry Potter book series, whose main antagonist is also called Voldemort. Link and Zelda are links to Nintendo's Legend of Zelda series. Sufail and Arteece are links to Sumail and Arteezy, competitive players of the popular game Dota 2. EyesFrod may be a reference to IceFrog, lead developer of Dota 2. Nosftrat, McNitby, Sparky and Jayeeyee are all subreddit usernames of former moderators clicker heroes. Some quotes mercenaries say when going on a mission are references: Valar Morghulis of George R.R. Martin's A Song of Ice and Fire book series, is a greeting to the High Valyrian, translating into: All people must die. My Life for Aiur is a phrase that is usually said by zealots from the popular game Starcraft. Zug zug is a phrase that is usually said by orks from the popular game Warcraft III. Quote used in mercenary death: For standing VACation. This means Valve (Steam owners) and its VAC system, and as vac insurance is called VACation. Bit the dust is probably a reference to the Queen's song and is a euphemism for the dead. Various rarest meeting game Secret Kappa Boss: When you reach the boss level, there is a very small chance that instead of spawning a normal boss to that level, he will spawn kappa boss instead. This is the enemy of Turtloid Warlock with twitch.tv Kappa emote on his face. Shift/Ctrl/Z/Q click on enemy results sayings like NOPE, U LOSE, LOL, CRITICAL MISS, NICE TRY, MAYBE NEXT TIME AND ZERO DAMAGE (despite having regular damage in one click). This is because pressing one of these buttons will equal 10/25/100/Max times. Some players thought that maybe if they move the clicked enemy, it would simulate 10 clicks. With Orntchya Gladeye, Didensy Banana gold-plated, there's a neat trick you can do with your name. It's so long that it doesn't fit into a single line in which Orntchya Gladeye, Didensy, only. However, scroll up and down several times until you see that the last part of her name appears, showing Banana. If you start a new game, you can see the secret boss at some secret level in 1/10 seconds - Megatron Ultralisk Oltrus. It seems that Megatron is a series of transformers, Ultralisk seems to be from the StarCraft gaming series, while Oltrus may also have an ultrus spell from the game Dragon Quest VIII. Ultrus can also be an Ultra spell misrepresentation, which is a recurring octopus character in the Final Fantasy game series. Megatron Ultralisco Oltrus. A secret level called gosh forest. Apparently, it shows 15/20 enemies killed, 25.00 timer, and 999,999,999,999 HP, without the HP share displayed. It looks like the health bar is empty. In the lower right corner there is also a pink gift box, which appears in ten zones, starts from zone 100, and when clicked, gives a random gilded hero. It is always at level 1. It is displayed only ~0.1 seconds before the game data is loaded. Levels/zones 81-90 in the Astral Rift area, as well as in the Desert, Mudlands and Immortal areas. On the mobile version of the game there is a chance that instead of a normal bass from crossy road character spawn Possible spawning characters include Crossy Chicken, Hipster Whale, Rusty Robot and Floppy Fish, all of which are from Crossy Road. When you open the menu to buy rubies is an image of a Cloudstone shopkeeper, the game Playsaurus Trivia Kappa boss has added a patch of 0.04.
