Directions

At the end of the play, the lovers are paired up again with their original partners (Helena and Demetrius; Lysander and Helena). Choose **one** of these four characters. What do you think he/she may have learned about love and friendship as a result of the night in the forest? Do you think his/her relationship with his/her new spouse will be stronger or weaker as a result of the events of the play? Why?

Please use at least 2 quotes from the play to support your claim. Practice citing according to MLA format and include one image in your entry.
