Women's business clothing store L.L.Bean may be best known for its hunting, fishing and outdoor clothing, but they make some lovely boots under their own label. There are 31 different styles for men, women and children. The company still operates and manufactures its products in Maine. Each pair of boots is hand-stitched and made one at a time. There is no mass production. The original shoe was designed by L.L.Bean in 1912. Women can choose from styles such as Storm Chasers classic lace boots and snow boots with dropped leather. Men have choices like 10 Maine Hunting Boots, Bean Boots, which are haircut-lined, and low-profile Gumshoe.
