

SWITCH 2 Zazza Radio Contest Rules

The “SWITCH 2 ZAZZA RADIO” contest is subject to the general contest rules as posted on ZazzaNation.com. The “SWITCH 2 ZAZZA RADIO” contest will run for the period of time beginning on Monday, September 1, 2025 through Friday, November 28, 2025 (the “Contest Period”), with the Grand Prize Winner being announced on-air on Monday, December 1st, 2025.

You must enter the contest through the FREE Zazza Nation App (the “App”) (downloadable on iOS and Android or at ZazzaNation.com). During the Contest Period, a pop-up prompt will appear when the App is opened. To enter, Contestant will fill out the details on the pop-up and submit the information to become an “Entrant”. In the event the Contestant navigates away from the entry pop-up, the opportunity to enter will appear each time the App is shut down and reopened. Once an Entrant submits their information (“Entry”), the Entry will last for the duration of the Contest Period and will be in the pool of Entries for each future announcement described below.

For the first six (6) Fridays during the Contest Period, then Thursday, October 16th, followed by the next five (5) Fridays and the final Wednesday, November 26th, at approximately 8:30am ET (exact time may vary), an Entrant’s name will be announced live during The Zazza Show on Zazza Radio. The announced Entrant (each a “Qualifier”) will have 30 minutes to call into the studio at 866-208-6699 to claim their qualifying prize and be entered as a “Finalist”. Each Qualifier who calls into the studio during the 30-minute window immediately following such Qualifier’s name being announced will receive a qualifying prize of a gift card for free donuts/pastries. Stores and amounts may vary based on each Qualifier’s location. Failure to call during the 30-minute window immediately following the announcement of such Qualifier’s name shall be deemed as a rejection on behalf of the Qualifier and such Qualifier shall not be entered as a “Finalist” for the Grand Prize.

There will be up to 13 total Finalists that will go into a random drawing where one winner, the Grand Prize winner, will be selected and win a Nintendo Switch 2 Mario Kart Bundle (the “Grand Prize”).

Grand Prize winner must fill out and sign an IRS Form W-9 and present a valid copy (front and back) of their state issued ID in order for the prize to be processed. Winner will also be subject to IRS rules and taxes based on the current IRS Code for receiving prizes totaling \$600 or more in a given year if winner accumulates that amount at the end of the year.
