

ASL Action Plan: Enhancing experiences for children and young people **Thursday 11th March, 12pm – 1.30pm**

AGENDA

Introduction by Chair, Claire Hunter

Director and Founder, Red Harbour

Inclusion, partnership and action...

Sally Cavers, Head of Inclusion, Children in Scotland

- Action plan theme focus: children and young people's participation
- Action plan theme focus: relationship between schools and parents
- Achieving the vision, securing last change for children and young people

Getting additional support right for care experienced children and young people

Linda O'Neill, Education Lead, CELCIS

- What do we know about additional support for care experienced pupils?
- What are the opportunities within the ASL action plan?
- How can The Promise and the ASL action plan drive progress to get it right for all care experienced pupils?

Covid: an opportunity to press the reset button?

Jacqui Nimmo, Senior Education Officer/ HMI, Education Scotland

- How do we reshape the universal offer?
- What does meaningful collaboration with partners look like?
- How can the Getting It Right For All Learners During Covid Toolkit help?

Ask Us, Hear Us, Include Us!

Janette Kerr, Chair ASLO (Additional Support for Learning Officers)

- The value and importance of the voices of pupils
- Transitions from primary to secondary and secondary to further education/employment
- Including parents and families in decision making

Questions and Discussion session
