Review for Spilled Milk: Based on True History: This book is incredible, I've never been so scared of reading a book, and yet so chained that I couldn't stop reading. I loved that book. He grabbed me from the front page and I had trouble putting it down. Read it, you won't be disappointed. Enjoy yourselves!! Randis later testified at a criminal trial against her father, who was sentenced to prison for his crimes. In 2004, he was sentenced to up to 16 years in prison. Her painful - and ultimately triumphant - story is told in Randis's first novel, Spilled Milk. Brown, Stacey. An interview with Pocono Record Newspaper Spilled Milk is a story about resilience. The power of the human mind and the willpower to live a better life. - Weekly Sparkle Beautifully written, hauntingly real, spilled milk is a must-read for any young adult today. - F.P. Lyon, AuthorBrooke Nolan a battered child who makes an anonymous phone call about escalating cruelty in her home. When social se Every Great on Kindle book offers a great reading experience, at a better price than printing to keep your wallet happy. Get a free Kindle app: Spilled Milk by K.L. Randis is a touching story based on real events. Brooke Nolan, from the time she was a little girl until her teenage years was sexually abused by her father. She is not the only target in the family, as her siblings feel his anger in the form of physical violence. Her mother is accident at work and there are 4 children in the family that trap her financially. The ideal place for a thunderstorm, which Life. It's not until sitting down dinn spilled milk by C.L. Randis is a touching story based on real events. Brooke Nolan, from the time she was a little girl until her teenage years was sexually abused by her father. She is not the only target in the family, as her siblings feel his anger in the form of physical violence. Her mother is disabled from an accident at work, and there are 4 children in the family who trap her financially. The perfect place for a thunderstorm, which is Brooke's life. It is not until sitting down for lunch with his boyfriend's family, and his younger brother accidentally spills milk, that she realizes that her family is not normal, no one yells at the child or raises his hands in anger. Brooke found it hard to wrap her mind around the whole incident. Milk misfortune is something that seems to push her in search of help. Brooke builds a strong relationship with others, mostly adults, who stand by her side, giving them full support as she faces the challenge of survival, and a trial, against her father. The fear she feels echoes the pages of this compelling story. C.L. Randis illustrations grow in violent homes for money. Her novel speaks volumes for all, especially those who have suffered from the devastating effects of abuse. Her words are accurate, and the narrative of the reader's placement front and center in an explosive family. Brooke is a smart young woman who finds peace, justice and, most importantly, strength. In my opinion, spilled milk is awareness and reaching out a helping hand to those who can not work with themselves. There are too many stories that mimic Brooke, the characters and situations may be different, but fear and destruction are not. Someone in a toxic relationship should want to be helped and be prepared to perform. If they know that they are not alone, that support is available, then perhaps more will reach out. It's a novel to share with as many people as possible. Spilled milk is an excellent read. ... more in the blink of an eye, my mother ran up behind me and pushed me into the fence. Instinctively, I stretched out my arms to stop me falling and ended up grabbing a live fence. My hands are clamped around a thin w...
