

Bob Seger & The Silver Bullet Band - Feel Like a Number

[Spicy Filters from BeWellPlayed.com](http://BeWellPlayed.com)

[Verse 1]

I take my card and I stand in line
To make a buck I work overtime
"Dear Sir," letters keep coming in the mail
I work my back till it's racked with pain
The boss can't even recall my name
I show up late and I'm docked
It never fails
I feel like just another
Spoke in a great big wheel
Like a tiny blade of grass
In a great big field

[Verse 2]

To workers, I'm just another drone
To Ma Bell, I'm just another phone
I'm just another statistic on a sheet
To teachers, I'm just another child

To IRS, I'm another file
I'm just another consensus on the street
Gonna cruise out of this city
Head down to the sea
Gonna shout out at the ocean
"Hey, it's me!"

[Refrain]

And I feel like a number
Feel like a number
Feel like a stranger
A stranger in this land
I feel like a number
I'm not a number
I'm not a number
Dammit I'm a man
I said I'm a man

[Instrumental Interlude]

[Bridge]

Gonna cruise out of this city
Head down to the sea
Gonna shout out at the ocean
"Hey, it's me!"

[Refrain]

And I feel like a number
Feel like a number
Feel like a stranger
A stranger in this land
I feel like a number
I'm not a number
I'm not a number
Dammit I'm a man
I feel like a number
Feel like a number
Feel like a number
Feel like a number
