{Intro}

She stood there bright as the sun on that California  
coast

He was a Midwestern boy on his own  
She looked at him with those soft eyes, so innocent  
and blue

He knew right then he was too far from home  
He was too far from home

She took his hand and she led him along that golden  
beach

They watched the waves tumble over the sand  
They drove for miles and miles up those twisting,  
turning roads

Higher and higher and higher they climbed

And those Hollywood nights

In those Hollywood hills  
She was looking so right  
In her diamonds and frills  
Oh those big city nights  
In those **high** rolling hills  
Above all the lights  
She had all of her skills

{Bridge}

He'd headed west cause he felt that a change would  
do him good

See some old friends, good for the soul

She had been born with a face that would let her get  
her way

He saw that face and he lost all control

He had lost all control

Night after night, day after day, it went on and on

Then came that morning he woke up alone

He spent all night staring down at the lights on LA

Wondering if he could ever go home

And those Hollywood nights

In those Hollywood hills

She was looking so right  
It was giving him chills  
In those big city nights  
In those **high** rolling hills  
Above all the lights  
With a passion that **kills**

In those Hollywood nights  
In those Hollywood hills  
She was looking so right  
In her diamonds and frills  
Oh those big city nights  
In those **high** rolling hills  
Above all the lights  
She had all of her skills

In those Hollywood nights....
