[Verse 1]

She looked me over
And I guess she thought I was all right
All right in a sort of a limited way
For an off-night
She said, "Don't I know you
From the cinematographer's party?"
I said, "Who am I
To **blow** against the wind?"

[Chorus]

I know what I know
I'll sing what I said
We come and we go
That's a thing that I keep in the back of my **head**
I know what I know
I'll sing what I said
We come and we go

That's a thing that I keep in the back of my **head**

[Verse 2]

She said, "There's something about you
That really reminds me of money"

She is the kind of a girl
That could say things that weren't that funny
I said, "What does that mean
I really remind you of money?"

She said, "Who am I
To **blow** against the wind?"

[Chorus]

I know what I know
I'll sing what I said
We come and we go
That's a thing that I keep in the back of my **head**

I know what I know
I'll sing what I said
We come and we go
That's a thing that I keep in the back of my **head**

[Verse 3]

She moved so easily
All I could think of was sunlight

I said, "Aren't you the woman
Who was recently given a Fulbright?"

She said, "Don't I know you
From the cinematographer's party?"

I said, "Who am I
To **blow** against the wind?"

[Chorus]

I know what I know

I'll sing what I said

We come and we go

That's a thing that I keep in the back of my **head**

I know what I know

I'll sing what I said

We come and we go

That's a thing that I keep in the back of my **head**

[Outro]

I know what I know

I know what I know

I know what I know

I know what I know
