## **[Verse 1]**

I know it's late  
I know you're weary  
I know your plans don't include me  
Still, here we are  
Both of us lonely  
Longing for shelter from all that we see  
Why should we worry  
No one will care, girl  
Look at the stars so far away

## **[Chorus]**

We've got tonight  
Who needs tomorrow  
We've got tonight babe why don't you stay

## **[Verse 2]**

Deep in my soul

I've been so lonely  
All of my hopes fading away  
I've longed for love  
Like everyone else does  
I know I'll keep searchin' even after today

**[Pre-Chorus]**

So there it is, girl  
I've said it all now  
And here we are, babe  
What do you say

**[Chorus]**

We've got tonight  
Who needs tomorrow  
We've got tonight babe why don't you stay

**[Verse 3]**

I know it's late I know you're weary  
Ohhhh I know your plans don't include me  
Still, here we are  
Both of us lonely, both of us lonely

**[Chorus]**

We've got tonight

Who needs tomorrow  
Let's make it last  
Let's find a way  
Turn out the light come take my hand now  
We've got tonight why don't you stay  
We've got tonight  
Who needs tomorrow  
Let's make it last  
Let's find a way  
Turn out the light come take my hand now  
We've got tonight why don't you stay  
Ohh we've got tonight  
Who needs tomorrow  
Let's make it last  
Let's find a way  
Turn out the light come take my hand now  
We've got tonight why don't you stay

**[Outro]**

Ohhh ohhhhh why don't you stay
