What is your level of English? Check it out with our level test for new students. We will guide you so that you can choose the course that best suits your needs. In the near future we will open level tests for children and young students. The B1 level corresponds to independent users of the language, i.e. those who have the necessary fluency to communicate without effort with native speakers. It is important to keep in mind that the Common European Language Reference System (CEFR) is a system that identifies and explains different levels of oral and written expression and understanding of languages such as English. It consists of 6 levels of reference: three blocks (A or main user, B or independent user and C or experienced user), which in turn are divided into two grades, 1 and 2. SKILLS AT LEVEL B1 One of the questions you can ask yourself when you read this information, what language competencies characterize a person who can prove that they have a B1 level in English? CEFR defines the following: it is able to understand the main points of clear texts in a standard language, if they are about topics with which they are familiar, whether in work, study or leisure context. Can handle most of the situations that can occur when traveling to areas where language is used. He is able to produce simple, consistent texts about topics with which they are familiar or in which they have a personal interest. You can describe experiences, events, desires and aspirations, as well as briefly justify opinions or explain plans. What is your level of English? Check it out with our level test for new students. We will guide you so that you can choose the course that best suits your needs. In the near future we will open level tests for children and young students. English level B1 is the third level of English in the Common European Framework (CEFR), a definition of different language levels written by the Council of Europe. In everyday speech, this level could be called intermediate and indeed, it is the official level descriptor in CEFR. At this level, students go beyond the basics, but they are still unable to work or study exclusively in English.
