If you find this question too difficult, then why not try playing Death Invasion: Survival today? Storyline
death Invasion: Survival is the world to imagine. The place where you live is a city occupied by death. Weak people have turned into zombies. They've become crazier and bloodthirsty than ever. Don't be deceived by their pathetic and pitiful appearance. Being kind is incredibly stupid because they've lost their human emotions. All you have to do is equip your weapons and fend off hordes of zombies. There will be other reliable survivors to help you survive to leave the city. Join them, form a team to fight the enemy. Fight with your teammates
In the fight with the undead, all those who have not been infected with the zombie virus can be great teammates. In battles they are willing to help you and support you. In such a situation, solidarity is power. Gather the survivors to form a team to save the world. Cooperation on the formulation of tactics. Believe in your teammates, you may have a strong team like Avengers.
Kill the undead
all many and aggressive, you can hardly escape the zombie invasion. It's harder to kill them. The most important thing is to survive to the pandemic. Death Invasion: Survival is quite special when played in the third perspective, a new transformation with a series of zombie shooters. This provides a wide and wide view of the battles. Watch the most intense fight in the clearest way. However, surviving between a storm of crazy zombies is not easy. In addition, to survive, you need to have food, armed with weapons, fuel and generators. These items are located in the center of the city, where thousands of zombies are concentrated. With the great power of enemies in central districts, your team must stand and coordinate really well. Support your teammates' firepower so they have enough time to open the door. If not, you will probably join a zombie club. Item
Death Invasion: Survival attracts players in a large arsenal. There are many necessary types of escape. Weapons
All are absolutely perfect, but the weapon system is the most remarkable. Weapons are diverse and bring their own functions that serve every mode of combat. Many new and powerful weapons to choose from. Each character type has a separate weapon system. In addition to bullets, using grenades and mines is also an effective option to destroy doors and kill zombie groups. Collect as many pieces of weapons as possible in a deadly journey and gather into more powerful weapons. It can be said that the weapon system is the pride of Death Invasion: Survival development team. In addition to weapons for normal battles, in the attack of zombies, you will need special weapons. Equip gloves to help your punch strong and terrible damage. Use your fists to fight giant and ugly bosses. You'll also catch some old tanks on the way and fix them with your teammates. A tank capable of causing damage like 10 heavy guns. With a multi-functional weapon system, there will be plenty of effective tactics. But that depends on your creativity. But rest assured, in addition to you, there are still intelligent and reliable teammates. MOD APK version of Death Invasion: Survival

You are in a zombie-plague city, and forced to shoot everything to preserve your life and escape from a dangerous area. The context in Little City in Death Invasion: Survival was captured by bloodthirsty zombies. If you stay here, the risk of a dangerous viral infection and becoming a zombie is very high. To survive, you need to pick up your weapons, fight and flee the city. From healthy, happy and friendly people, after being infected with a strange virus, people become lifeless, bloodthirsty corpses and attack uninfected people. What you need to do is reload at the right time and never stop shooting. Fighting is the only option if you want to survive. Not just you, there are other survivors in this town. And sometimes, players will need their help to escape. Find survivors and create a team to fight together. Battle for survival
Thing with great numbers and aggressiveness, it is difficult for you to escape the invasion of zombies, and impossible to win quickly. The most important thing is to survive in order to gradually reverse the pandemic. Death Invasion: Survival is quite special with playing in the third perspective, a new transformation with a zombie shooter game. This gives you a wide and wide view of battles, giving you the most intense view of each battle. However, surviving in a sea of crazy zombies is not easy. In addition, to survive, you need to have food, weapons, fuel and generators. These items are located in the city center, the meeting place of thousands of zombies. With a great deal of enemy power in central areas, your team really needs to stand shoulder to shoulder and coordinate well. Support your teammates with enough time to open the door. If not, you will most likely join their club. Gameplay
In addition to shooting missions to survive, players must also find food, collect deadly weapons, fuel and generators. However, these basic resources are often lent in dangerous places. You support fire for teammates, so they have plenty of time to open the door. If not, zombies will surround you, and death is inevitable. Equip yourself with the weapons and equipment you need and improve your fighting power. Helmets can help players reduce damage in a random zombie attack. Backpack to collect more items and survive the journey of escape from the terrible city. Hard gloves make your fists stronger. Use your fists to fend off zombies and defeat ugly bosses. Some zombies are infected not so long ago, and carry a lot of useful items on the body, such as blood packs, ... These things will help you survive longer. Use weapons like grenades, mines to blow away locked doors, and defeat a group of zombies. Collect pieces of weapons as much as possible in a deadly way, fitting into more powerful weapons. It is a shooting game combining attractive survival for hardcore, courageous and adventurous players. Of course, there will be many surprises on this path of survival. For example, you can find an old tank and fix it with your teammates. The tank will be able to cause more damage than 10 heavy machine guns. Great Warehouse Equipment
Death Invasion: Survival attracts players in an excellent warehouse facility. There are too many equipment needed for your character. It is easy to understand, because in addition to serving the battle, they are necessary for your survival. In addition to basic things such as food and medicines, you can also equip a helmet. Helps reduce damage when you are randomly attacked. In addition, new zombies appear to drop important items. Collect them in your backpack and quickly escape. They're all absolutely perfect, but the weapon system is the most amazing and remarkable. Weapons are really diverse, and bring specific features for each method of combat. Lots of modern and powerful weapons to choose from. Each character type has a separate weapon system. In addition to firearms, using grenades and mines is also an effective option to break down doors, and kill groups of zombies. Collect pieces of weapons as much as possible in the deadly path and gather them into more powerful weapons. What's in Death Invasion: Survival (MOD, Unlimited Money)?
