We had lots of people come along to sign up for our Lessons Open Day and Welcome Hack. We also received a lot of strong application forms for our BUCS Teams!

BUCS Team Trials (24th September)

A fantastic night at Tannoch Stables with lots of talent to choose from. Those that will be on our teams have now been selected and we will spend the next couple of weeks sorting riders into teams.

Welcome Social (22nd September)

We had a fab night out, starting at a committee member's flat and then we headed out to the Big Cheese!

First Lessons (26th September)

We had a fantastic first week of lessons at Tower Farm Riding Stables. Everyone enjoyed themselves - from beginners learning rising trot to advanced riders jumping grids. Lessons will be on every week throughout the semester. To find out more about lessons email Bonnie, our lessons coordinator, at euec_lessons@hotmail.com

Lessons Open Day (19th September)

30 riders tried out our lessons at Tower Farm Riding Stables. We had all levels of riders, from beginners who had never sat on a horse before to our new advanced riders putting the horses through their paces and having a jump. Despite Storm Ali, the blustery weather didn't put a dampener on a day and everyone had a great time!

Welcome Hack (22nd September)

Our riders were treated to glorious sunshine for the Welcome Hack. 16 riders had the chance to ride in the stunning countryside around Tower Farm Riding Stables. We had a group for Novice riders and a faster group for Advanced riders. Everyone had a great time! If this sounds like something you'd enjoy, look out for details our next hack on Facebook.
