
KERRYNN GAMBLE

“Empowering Women to Lead”

- Confident
- Congruent
- Compelling

SPEAKER | AUTHOR | FACILITATOR

KerryNN Gamble wants every woman to believe in her self-worth. As an expert in women's self-confidence, KerryNN empowers women to lead themselves, their business and personal lives. Her unconventional approach to achieving business growth through shifting thinking, language and movement, make her a dynamic presenter.

KerryNN's own journey of transformation serves as real-life testament to the effectiveness of her methods. With Science and Masters Degree's KerryNN has worked as a healthcare practitioner across hospital, private practice, public health and the corporate sector.

Following the birth of her second child, KerryNN completed extensive qualifications in Coaching and Human Behaviour qualifications. It's this real-world, cross industry experience, coupled with her extensive coaching background that makes her a unique corporate speaker, able to bring energy, engagement and meaning to the room.

“With confidence comes the ability to influence, inspire and lead”

With a diverse career background, Kerryngamble believes in evolving to staying relevant. She knows what it takes to define yourself, your business or your organisation.

Kerryngamble works with ambitious career women who want more and are ready to grow personally and professionally. Through a process of part inner work, part skills and part accountability, Kerryngamble assists clients become confident, congruent and compelling.

Kerryngamble has written Confidence Magnifier (iBooks), a guide to speaking up, taking action and creating success on your terms. Kerryngamble's new book UNSTOPPABLE is due out August 2016.

A regular blog contributor to Ruby Connection, Women with Drive and Linked In, Kerryngamble is a go-to speaker and facilitator for engaging thought-provoking and results-focussed presentations.
