In this IELTS General Writing Task 1 lesson (click here if you are looking for academic lessons), let's look at the different elements that make up a complete IELTS letter. We introduce what to write in each of the 7 parts and include an example essay to prove. Basic guidelines for IELTS General Writing Task 1 Letters 150 words 20 minutes Respond to a situation by writing a letter, for example, requesting information or explaining a situation. Formal and informal styles (semi-formal can be formal) Sample activities: Source The 7 essential parts of an IELTS General Writing Task 1 Letter Beginning (Caro...) Purpose (I'm writing regarding...) Body Paragraph 1: Describe the situation Body Paragraph 2: explain your problems and why it is difficult to work Body Paragraph 3: say what kind of accommodation you prefer closure (Thank you for your help / I can't wait to hear from you / etc ...) Ending (Yours...) Part 1: The initial address of the person you're writing to. Be sure to change your style based on the information provided. Look at the task to ask for help. Be sure to write in the correct style. Part 2: The purpose Explains why you're writing this letter. This is where the topic is introduced. Part 3: Body 1 First, you will write about the first point of your task. Try to make each bullet about the same length. In some cases, your purpose and body 1 may require similar information. There is no need to repeat ourselves. Part 4: Body 2 Second, you will write the second point of your task. Try to make your topic phrase clear so that the reader knows what you're writing about. This can help your score of consistency and cohesion. Part 5: Body 3 Finally, you will write about the third point of your task. Note in the sample answers that I'm responding directly to each bullet. Part 6: Closing This is where you finish your letter. It is common to use phrases like Thank you for your help., I can't wait to hear from you. for formal letters. For informal letters, you could write phrases like Talk to you soon., or even Hope you enjoy the rest of your week! Part 7: Ending This is the last part and your name. Don't make spelling mistakes here. What you write here will depend on the style of the letter. Full example Answer: Dear Lord or Lady, My name is John Smith. I live in your university accommodation and write about some issues I've had recently that have made it difficult for me to focus on my work. (Part 2, 36 words) I am in my second year and currently share my room with a person who is in his fourth year. While I understand that sharing a room is necessary for all residents in this my roommate made it very difficult for me to study. (Part 3, 48 words) The problem is that it often invites people to parties telling me in advance. This was also true last week during the exam period. I tried to reason with him, but I doubt things will change. (Part 4, 40 words) I hope you will be able to place me in a quieter room for the next semester. I apologize for the problem, but I must be able to study at my residence. (Part 5, 35 words) Thank you so much for your help. (Part 6) Your sincerely, John Smith (Part 7) (174 words in total) Action Step: That's it for this lesson on IELTS General Writing Task 1! Now, using your knowledge of each of the 7 steps of the letter, find a new task and try to follow each of the 7 steps. Skip to main content You should spend about 20 minutes on this task. You're part of a group of musicians who meet on Tuesday and Friday nights to practice in the community hall. You have been told, however, that it is no longer possible for the group to use the room. Write a letter to the manager. In the letter: Describe what the group explains why the group is good for the community suggests alternative days and times for practice You should write at least 150 words. You should spend about 40 minutes on this task. Write the following topic. In some European countries, some children between the ages of 11 and 13 go to school to learn more practical skills that will help them find a job. Other children stay in schools that provide more general academic education. What should schools do to prepare students for the world of work? Provide reasons for the response and include any relevant examples from your knowledge or experience. You should write at least 250 words. Take this free Bau test... 23/09/2020 17:28:16 Examiner score: 8.5 BIB... 17/09/2020 01:35:04 Examiner score: 8.0 Muh... 19/09/2020 18:01:30 Community score: 8.0 f k... 09/11/2020 15:41:31 Examiner score: 8.0 Par... 09/01/2020 03:58:38 Examiner score: 7.5 Nid... 15/08/2020 06:31:53 Examiner score: 6.5 Y S... 27/07/2020 04:31:52 Examiner score: 6.5 Man... 07/23/2020 10:15:17 Community score: 7.0... 18/07/2020 16:41:25 Examiner score: 7.5 years old... 07/05/2020 04:17:22 Examiner score: 8.0 Show more... 25/10/2020 12:31:36 Gur... 25/10/2020 01:24:26 Ral... 24/10/2020 13:36:34 kar... 23/10/2020 23:28:46 Juh... 23/10/2020 21:32:19 Pra... 22/10/2020 19:42:22 Olu... 22/10/2020 17:44:44... 21/10/2020 18:53:09 Mub... 21/10/2020 12:50:04 sur... 21/10/2020 12:22:07 Show plus IELTS Academic Writing Task 2 is one of two writing activities on IELTS, which most students find to be more challenging. Let's take a look at formal and informal writing in IELTS! It is important to learn how to use commas correctly on IELTS. Let's take a look at several basic rules for using the comma correctly. The fact that the IELTS academic writing test is only an hour long can be a relief or may make the perspective seem even more intimidating. Either way, the trick is to manage the time allocated to you so that you can do your English writing skills justice; this includes the careful management of the 20 [...] Preparation for IELTS usually begins when it turns out that you need to get a particular IELTS score for your university visa or application. Many students spend months alternately worrying about the test and preparing for it. But if you think about it, your IELTS preparation actually started many years ago, when you started learning English. It's good to hear you're already on your way. IELTS aims to test your English level accurately, so in an ideal world, IELTS preparation would just mean improving your English. Unfortunately, it's not that simple. Here's my 4-step plan to keep you on the right track in preparing for IELTS: STEP 1: Find out where you are If you don't know what your current English level is in terms of IELTS scale, you don't know how far you are from achieving your goal. So the first step in any IELTS preparation plan should be to test the current level. There are loads of practice tests out there, but the easiest way to check the current score on the IELTS is to take the EFSET Plus. It is a two hour test and because it will give you an EFSET score and an IELTS equivalence score both for reading and listening, it is 2 hours very well spent. Unless your speaking and writing skills are at a very different level, you now know where you are. STEP 2: Improve your English Did you know this would be one of the steps, right? Improve your English using online tools, books or any other method of choice, or you can take a course. You have to work on all aspects of your English: reading, listening, writing and speaking. You can use IELTS-specific study tools, but you don't need it at this stage. Any English learning technique you find engaging can be effective IELTS preparation, for example: Read in English on topics that interest you, and push yourself to look for words you don't understand. Newspapers and magazines are a good place to build your vocabulary. Reading will help your writing, but it also practices writing. Don't limit yourself to a single writing style. Keep a diary in English, write short stories and with essays are all good practices. Fix your job or find someone to go on it with you. Watch movies in English or listen to English-language radio. Play the bits you missed until you understand them. You understand. Quite practical speaking can be difficult on your own, but with effort you can find a language exchange partner online or in your city. Push yourself to talk about more advanced topics than just types of hello conversations, as you are. There are also good IELTS preparation courses online and abroad, as well as in schools near you. If you have money to invest in an IELTS preparation course, this can start your efforts and take you straight to step 3. STEP 3: Discover the IELTS Test Format Improving your English is not enough to get a great IELTS score. A native English speaker who takes IELTS will not get a perfect score if he does not study the test itself. You need to know how the test score works, what length of text is required for each prompt, and when points are taken off or added. There may be small essential things like: Should I guess an answer if I'm not sure, or skip that question? How many times can I listen to a recording in the listening section? What happens if the examiner can't read my handwriting? While step 2 was all about improving your English skills, this step is about using the skills you need to get the best score possible on test day. There are IELTS websites and preparation books to help you better understand the IELTS test structure. Start with a close look at the official website. Your goal in this step is to go to the IELTS test session already very familiar with the types of questions you will be asked, how they will be scored and what your strategies are to optimize your score. STEP 4: Test yourself when you can say you've improved your English and become familiar with the IELTS test, there's another step before signing up to take the exam. Put yourself to the test again. If you took the EFSET Plus in step 1, take it a second time to see how much you've improved. If you can do an IELTS talk or write practice tests, do this too. Whatever you do, don't skip this last step. It's the only way to know if you're ready to spend money to take the official exam. There's no point signing up to take IELTS if you're not ready to get the score you need. With this 4-step IELTS preparation plan, you can enter your test session confident that even if it's going to be difficult, you're ready to get the score you need. When you get your IELTS score, then you will know that your IELTS preparation has borne fruit.
