

The Household of Faith *Story*

The work of the Household of Faith started on 24th June 2017, when brother Henry called for a meeting of all interested parties through his Facebook post. 30 persons were present who continued to give their support to the new church either as members or supporters. These are the chartered members of the Household of Faith, Singapore.

At the first gathering, brother Henry Kong spelled out the purpose, goals and structure of the congregation and closed with a Question-and-Answer session. It was conducted at the Salvation Army, Hillview, Singapore.

The first worship on 16th July 2017 at 6pm at the Salvation Army, Hillview was attended by many family members, friends and well-wishers. The Household of Faith was on to a good start.

Brother Paul Poon, the eldest son of brother Alfred was baptized by his father on the evening of the Household of Faith's first worship service.

After the worship, everyone stayed back for our first weekly potluck and fellowship.

Nothing excites the congregation like souls saved - Eric Yeo, Kang Hwei and Goh Ah Moey.

The church celebrated her first anniversary on 15th July 2018 with a resounding support from members and friends. More than 70 came together to encourage one another!

The Household of Faith is a missions-minded congregation. Speakers from Malaysia, China and Indonesia spoke at our first Missions Retreat on Good Friday of 2018.

Recipients for the first two Missions Sunday were churches of Christ in Puchong, West Malaysia and Batam, Indonesia.

Right from the beginning, Care teams were started as the basic unit of the church.

Children's Bible class was started by brother Richard Chai and supplemented monthly by the younger ladies Care team.

As we look forward to our second anniversary, we are calling on all members, supporters and visitors to join us in 40 days of faith, starting April 1st to May 10th. If you did not receive the booklet, *First 40 days* last Sunday, be sure to get yours from the table at the entrance before you leave this Sunday.

The book is a simple guide for you to revisit your baptism, and recommit yourselves to Christ.

One of the things a disciple of Jesus learns very quickly is that there is much that he or she doesn't know or understand. It just means you have a lifetime of growing and developing ahead. It will never become boring. God's love is wide and deep and long and high, and the more we grasp the better it all becomes.

This guide is designed to provide some direction each day for the next forty days as you start listening to the voice of God as He directs your whole life.

Why forty days? We have picked this because that was the length of testing Jesus Himself went through following His own baptism. He passed victoriously through that testing because He knew the word of God and each time Satan

came, He drove him away by using the very words of the Scripture.

Satan will make his attack on us. He knows we are vulnerable, but God is with us and with the weapons of righteousness in our right hand and left, we can defeat anything that will take our faith from us. Determine right now that you are going to develop this powerful discipline.

Open wide your heart, and let God do with you all He wants to do. Make sure that you have a definite time and place reserved each day to study the Scriptures so you can keep hearing the Word of God.

Don't let anything or anyone keep you from this most crucial time.

All it takes is a few minutes each day. We recommend that you do it in the quiet of the evening. You will be greatly helped if you use a notebook to record your thoughts and notes.
