### Springtime of the Spirit

Each year the trees give us a lesson in renewal.

First the bud, then the blossom, and finally the shoot.

Spring dresses the trees in a new robe

And makes them young again. But this is possible only because in autumn

They let go of their old leaves, And endured a winter of poverty. Lent is the springtime of the spirit.

Lord, help us not to be afraid to let go of the old habits,

And to face our spiritual poverty, In order that you may renew us, and so at Easter

We will feel young again in our discipleship.

### Our Thought for the Week.

Lead, kindly Light, amid the encircling gloom,  
Lead thou me on;

The night is dark, and I am far from home,

Lead thou me on. Keep thou, my feet; I do not ask to see

The distant scene; one step enough for me.

So long thy power hath blest me, sure it still Will lead me on O'er moor and fen, o'er crag and torrent,

till the night is gone.

And with the morn those Angel faces smile,

Which I have loved long since, and lost awhile.
