GLAZED VITRIFIED TILES

**MATT**

The savannah, caravans and oases are the first thing we associate with woods, design experts do not stop being inspired by these environments. Finishes in wood and a decoration based on the brown tones of the desert, earth colors, grays and sand, creating that link between the exterior and the interior.

**WOODEN**  
COLLECTION

## APPLICATOIN & SOLUTIONS

Interiors residential  
flooring and wall cladding

Cladding of interiors  
in spas and pools

Doors and stairs  
and landings
