This Level 3 Certificate in Assessing Vocational Achievement (CAVA) ROF Qualification (500/9758/1) is a new course that came to replace the old A1\2 and D32\33 assessor qualification.

The course, sometimes referred to as TAQA, is aimed at helping students to understand assessment strategies. It is ideal for students who would like to become fully qualified assessors for learners in either the classroom and/or the work environment. It is also aimed at understanding quality assurance procedures for RQF qualifications.

This course has been designed for students to assess vocational competencies in a variety of qualifications such as:

- Apprenticeships
- Functional Skills
- Technical Certificates
- NVQ’s
- Awards
- Certificates
- Diplomas
