

CURRENT APPOINTMENT

2023- Postdoctoral Scholar, Integrative Anthropological Sciences, UC Santa Barbara

RESEARCH AFFILIATIONS

2023- Co-Director, Kakamega Monkey Project, Kenya
2025- Adjunct assistant professor, University of Calgary, Dept. of Anthropology and Archaeology
2024- Research Affiliate, Broom Center for Demography, UC Santa Barbara
2024- Research Affiliate, Center for Ageing and Longevity Studies, UC Santa Barbara
2024- Research Affiliate, Brenda Strafford Centre on Aging, University of Calgary

EDUCATION

2016-2023 PhD & MSc, Evolutionary Anthropology
University of New Mexico, Dept. of Anthropology
2012-2015 MA, Primatology
University of Calgary, Dept. of Anthropology and Archaeology
2008- 2012 BSc, Specialist Degree in Biological Anthropology
University of Toronto

PREVIOUS RESEARCH POSITIONS

2016-2023 Research assistant, Comparative Human and Primate Physiology Center, UNM
2019-2020 Dissertation field research, Kibale Chimpanzee Project, Kibale National Park, Uganda
2014, 2017 Genetic paternity testing, Molecular Anthropology Laboratory, University of Oregon
2013 Master's thesis field research, Boabeng-Fiema Monkey Sanctuary, Ghana

EXTERNAL GRANTS

2025 Primate Research Fund, The Leakey Foundation, Co-PI (\$25 000)
2024 Primate Research Fund, The Leakey Foundation, Co-PI (\$23 200)
2023 Small Working Group Meeting award, Animal Models for the Social Dimensions of Health and Ageing Research Network, Co-PI (\$15 000)
2019 Dissertation Fieldwork Grant, Wenner-Gren Foundation (\$9000)
2019 Grants in Aid of Research, Sigma Xi (\$1000)
2018 Research Grant, The Leakey Foundation (\$15 000)

2016-2019	Doctoral Post-Graduate Scholarship, Natural Sciences and Engineering Research Council of Canada (\$63 000)
2015	Ruppenthal Student Travel Award, American Society for Primatologists (\$500)
2014	General Small Grant, American Society of Primatologists (\$1200)
2012-2013	Alexander Graham Bell Canada Graduate Scholarship – Master’s level, Natural Sciences and Engineering Research Council of Canada (\$17 500)

INTERNAL GRANTS

2025	Transdisciplinary Connector Grant, University of Calgary, PI (\$8500)
2024	Workshop grant, Broom Center for Demography, UC Santa Barbara, Co-PI (\$3000)
2024	Workshop grant, College of Letters and Sciences, UC Santa Barbara, Co-PI (\$3200)
2021	Student Research Grant, University of New Mexico (\$500)
2021	Student Travel Award, Dept. of Anthropology, University of New Mexico (\$300)
2019	Student Research Grant, University of New Mexico (\$500)
2019	New Mexico Research Award, University of New Mexico (\$3000)
2018	Student Research Grant, University of New Mexico (\$500)
2018	New Mexico Research Award, University of New Mexico (\$3000)
2018	Conference Travel Grant, University of New Mexico Career Services (\$600)
2017	Student Research Grant, University of New Mexico (\$500)
2017	Professional Development Grant, University of New Mexico (\$500)
2017	Rogers Research Award, University of New Mexico Office of Graduate Studies (\$750)
2016	Student Travel Award, Dept. of Anthropology, University of New Mexico (\$300)
2015	Queen Elizabeth II Scholarship, University of Calgary (\$15 000 declined)
2015	Travel Grant, University of Calgary (\$750)
2014	Thesis Research Grant, University of Calgary (\$1000)

AWARDS & HONOURS

2023	Doctorate with Distinction, University of New Mexico
2022	Teaching award nomination, University of New Mexico
2022	Outstanding Student Talk, American Association of Biological Anthropology (\$500)
2022	Finalist, Student Presentation Competition, International Primatological Society
2021	Student Presentation Award for podium presentation, Evolutionary Anthropology Society (\$350)
2021	Ruth Kennedy Award, Dept. of Anthropology, University of New Mexico (\$500)
2015	Outstanding Student Talk, American Society for Primatologists (\$100)
2012	Bachelor’s with High Distinction, University of Toronto
2008-2012	Dean’s List, University of Toronto

FELLOWSHIPS & SCHOLARSHIPS

2025	Travel Fellow, Animal Models for the Social Dimensions of Health and Ageing Research Network (\$3280)
2022	Dissertation Write-up Fellowship, University of New Mexico (\$27000)
2014	Graduate Research Scholarship, University of Calgary (\$5000)
2013-2014	Queen Elizabeth II Scholarship, University of Calgary (\$7200)
2013	Graduate Research Scholarship, University of Calgary (\$4000)
2012	Graduate Research Scholarship, University of Calgary (\$2000)

- 2012 Queen Elizabeth II Scholarship, University of Calgary (\$7200 declined)
 2011 Roy Alvin Hope Scholarship, University of Toronto (\$1000)
 2009, 2010 Regent's In-course Scholarship, University of Toronto (\$1000 per year)

TEACHING POSITIONS

- 2020, 2021 Instructor, “Fostering Scientific Minds”, University of New Mexico.
- 2016 Instructor, “Primate Behaviour”, University of Calgary.
- 2016 Instructor, “Introduction to Primatology and Human Evolution”, University of Calgary.
- 2013, 2015 Program assistant, Ghana Primatology Field School, University of Calgary.

INVITED COLLOQUIA

- 2023 Invited talk, “Evolution of female cooperation in humans and chimpanzees”, Dept. of Anthropology Colloquium, UCSB.
- 2023 Invited talk, “The subtle social lives of female chimpanzees”, Dept. of Anthropology and Archaeology Research Seminar Series, University of Calgary.

ACADEMIC SERVICE

- 2021-2022 Anthropology Department Steward, University of New Mexico, United Graduate Workers
- 2020-2021 Anthropology Department Faculty-Student Liaison, University of New Mexico
- 2020-2021 Anthropology Department Diversity, Equity, and Inclusion Committee member, University of New Mexico
- 2016-2021 President & Outreach Coordinator, Advancing Women in Science, University of New Mexico student group

2019 Chief Organizer, March for Science Kibale, Kibale National Park, Uganda

LEADERSHIP: ACADEMIC EVENTS

2024 Socioecology of Social Ageing Conference and Workshop, co-organizer, UC Santa Barbara
2024 California Workshop on Evolutionary Social Sciences, local host committee, UC Santa Barbara
2021 “Evolutionary and cross-cultural perspectives on women’s cooperation” symposium, co-organizer, American Association of Biological Anthropologists annual meeting.
2019 “Up-goer five” symposium, co-organizer, UNM Anthropology Graduate Student Union annual meeting.

LEADERSHIP: MENTORSHIP EVENTS

2024-2025 “Your Local Heroes” speaker series showcasing individual success in diverse education and career paths as role models for youth and young adults in Virembe, Kenya. Organized in collaboration with the Community Health Volunteers Virembe.
2020 “Homegrown Scientists” yearlong speaker series featuring 12 New Mexican women with unique paths to STEM, University of New Mexico.
2019 “March for Science Kibale” parade and full-day celebration of science at Makerere University Biological Field Station, Uganda.
2017, 2019 “Pro-Tips” speaker series interviewing women professors in STEM, University of New Mexico
2017, 2018 “She persisted in STEM” full day mentorship workshop for women in STEM, University of New Mexico.
2017, 2018 “Speed-mentoring” undergraduate and faculty mentorship matching event, University of New Mexico.

INVITED GUEST LECTURES

2025 “The evolution of female chimpanzees’ cooperation” for Dr. Katie Reinhardt at University of Calgary, course “Methods in Primatology”.

- 2024 “Behavioural ecology of female chimpanzees” for Dr. David Fernandez at University of Calgary, course “Methods in Primatology”.
- 2023 “Female chimpanzees in an anthropological context”, for Dr. Katie Starkweather at University of Illinois at Chicago, course “Human behavioral ecology”.
- 2023 “When the real party starts: female chimpanzee social behavior in the absence of males” for Dr. Mary Pavelka at University of Calgary, course “Methods in Primatology”.
- 2022 “Field biology and primatology” for Dr. Jake Kerzweil at Fort Lewis University, Durango, CO, course “Intro to Environmental Sciences”.
- 2022, 2021 “Evolution and cross-cultural perspectives on women’s cooperation” for Dr. Katie Starkweather at University of Illinois at Chicago, course “The Biology of Women”
- 2020 “Do female chimpanzees have friends?” for Hunter College Primatology Field School (United States), lecture given at Makerere University Biological Field Station.
- 2019 “Chimpanzee life history: energetic tradeoffs between quality and quantity of offspring” for Anglia Ruskin University Tropical Ecology Field School (United Kingdom), lecture given at Makerere University Biological Field Station.
- 2019 “The social lives of female chimpanzees” for Bangor University Primatology Field School (United Kingdom), lecture given at Makerere University Biological Field Station.
- 2019 “Chimpanzee socioecology” for Adam Mickiewicz University (Poland), Tropical Biology Field School, lecture given at Makerere University Biological Field Station.

CONFERENCE PRESENTATIONS

- Accepted Lucci S, **Fox SA**, Larter L, Vayro JV, Crotty A, Teichroeb, AJ, Badescu I, Sicotte P, Wikberg EC. Natal coat colour transition time and social adversity in white thighed black and white colobus infants. American Association of Biological Anthropologists meeting, Denver, Colorado, Mar 2026.
- Accepted **Fox SA**, Thompson González N, Machanda Z, Muller MN, Otali E, Wrangham RW, Emery Thompson M. The influence of adult offspring on social aging of female chimpanzees (*Pan troglodytes schweinfurthii*). American Association of Biological Anthropologists meeting, Denver, Colorado, Mar 2026.
- 2025 **Fox SA**, Thompson González N, Machanda Z, Muller MN, Otali E, Wrangham RW, Emery Thompson M. Kinship dynamics, dispersal, and social aging in female chimpanzees in Kibale National Park, Uganda. Canadian Association of Biological Anthropologists meeting, Victoria, BC.
- 2025 **Fox SA** and Thompson González N. Multidisciplinary perspectives on the socioecology of social aging: solitude, sociality, and kinship. Animal Models for the Social Dimensions of Health and Aging Research Network Catalysis Meeting, Chapel Hill, North Carolina.
- 2024 **Fox SA**, Thompson González N, Machanda Z, Muller MN, Otali E, Wrangham RW, Emery Thompson M. The influence of adult offspring on the sociality of ageing mothers in wild chimpanzees. Socioecology of Social Ageing Conference and Workshop, Santa Barbara,
- 2024 Emery Thompson M, Cole M, Dyer E, **Fox, SA**, Kobusingye M, Muller M, Otali E, Wrangham RW, Machanda Z. Costly relationships and social aging in wild chimpanzees. Socioecology of Social Ageing Conference and Workshop, Santa Barbara.

- 2024 Starkweather K, **Fox SA**. Shodagor women's sociality over the life course is modified when adult offspring live nearby. Socioecology of Social Ageing Conference and Workshop, Santa Barbara.
- 2024 **Fox SA**, Muller MN, Camargo Peña N, Thompson González N, Machanda Z, Otali E, Wrangham RW, Emery Thompson M. Social tolerance as a component of relationship quality among wild female chimpanzees, *Pan troglodytes schweinfurthii*. American Association of Biological Anthropologists meeting, Los Angeles, California.
- 2023 **Fox SA**, Muller MN, Camargo Peña N, Machanda Z, Otali E, Wrangham RW, Emery Thompson M. Wild female chimpanzees (*Pan troglodytes schweinfurthii*) associate, affiliate, and cooperate with each other more in the absence of male chimpanzees. Southwest Association of Biological Anthropologists meeting, Tuscon, Arizona.
- 2023 **Fox SA**, Muller MN, Camargo Peña N, Machanda Z, Otali E, Wrangham RW, Emery Thompson M. The presence of males impedes female association, affiliation, and cooperation in wild chimpanzees, *Pan troglodytes schweinfurthii*. International Primatological Society meeting, Kuching, Malaysia.
- 2023 Cole MF, **Fox SA**, Muller MN, Otali E, Machanda Z, Wrangham RW, Emery Thompson M. Trait-level cortisol predicts grooming behavior in wild chimpanzees (*Pan troglodytes*). International Primatological Society meeting, Kuching, Malaysia.
- 2023 Cole MF, **Fox SA**, Muller MN, Otali E, Machanda Z, Wrangham RW, Emery Thompson M. Individual differences in cortisol profiles among wild chimpanzees (*Pan troglodytes*) at Kanyawara. American Association of Biological Anthropologists meeting, Reno, Nevada.
- 2023 Lucci S, **Fox SA**, Larter L, Vayro J, Sicotte P, Ting N, Wikerbg E. Paternity is skewed towards alpha males in *Colobus vellerosus*. American Society for Primatologists meeting, Reno, Nevada.
- 2022 **Fox SA**, Muller MN, Thompson González N, Enigk DE, Machanda ZP, Otali E, Wrangham RW, Emery Thompson M. Social relationship quality predicts coalition formation among adult female chimpanzees at Kanyawara, Kibale National Park, Uganda. American Association of Biological Anthropologists meeting, Denver, Colorado.
- 2022 Emery Thompson M, Philips S, **Fox SA**, Machanda ZP, Muller MN, Wrangham RW. Rethinking the role of lactation in chimpanzee life histories. International Primatological Society meeting, virtual.
- 2022 **Fox SA**, Muller MN, Thompson-Gonzalez N, Enigk DE, Machanda ZP, Otali E, Wrangham RW, Emery Thompson M. Does social relationship quality predict coalition formation among adult female chimpanzees in the Kanyawara community, Kibale National Park, Uganda? International Primatological Society meeting, virtual.
- 2021 **Fox SA**, Muller MN, Thompson González N, Enigk DE, Machanda ZP, Otali E, Wrangham RW, Emery Thompson M. Social relationships quality and coalition formation among adult female chimpanzees at Kanyawara, Kibale National Park, Uganda. Invited presentation, American Association of Anthropologists meeting, virtual.

- 2021 **Fox SA**. Patterns of same-sex social relationships in women across the globe: what do we know? American Association of Physical Anthropologists meeting, virtual.
- 2021 Cole M, **Fox SA**, Machanda Z, Otali E, Muller MN, Wrangham WR, Emery Thompson M. Urinary T3 levels in wild chimpanzees (*Pan troglodytes*) at Kibale National Park, Uganda. Accepted at the International Primatological Society meeting, Quito, Ecuador, withdrawn due to COVID-19.
- 2021 Christie DM, **Fox SA**, Larter L, Wikberg EC, Sicotte P, Ting N. Infant black and white colobus gut microbiome diversity increases with age. Accepted at the International Primatological Society meeting, Quito, Ecuador, withdrawn due to COVID-19.
- 2019 **Fox SA**, Machanda ZP, Muller MN, Otali E, Wrangham RW, Thompson ME. Female chimpanzee activity budgets across reproductive phases. Uganda Wildlife Authority's Kibale Conservation Area Researcher Symposium at Makerere University Biological Field Station, Uganda.
- 2019 **Fox SA**, Machanda ZP, Muller MN, Otali E, Wrangham RW, Thompson ME. How do wild female chimpanzees manage the energetic demands of pregnancy and lactation? African Society of Primatologists meeting, Entebbe, Uganda.
- 2019 Emery Thompson M, **Fox SA**, Berghänel A, Sabbi K, Phillips-Garcia S, Enigk D, Otali E, Machanda ZP, Wrangham RW, Muller MN. Aging of the hypothalamic-pituitary-adrenal axis in wild chimpanzees. American Association of Physical Anthropologists meeting, Cleveland, Ohio.
