ONENESS

Building Strong Families

Fall 2023 Edition Volume No. 1

VISION

The vision of the church is to go into the entire world and compel men and women to accept Christ. It's our desire to raise up disciples by teaching and preaching the word of God with signs following. It is our endeavor through the guidance of the Holy Spirit to seek out the lost, heal the sick, and create a union in families that cannot be broken. This will be done through allowing the love of God and the faith in God to be shown outwardly. We trust that we will receive divine and supernatural help from God to bring this vision into fruitions.

JOIN US

One in the Spirit Christian Church is a nondenominational church displaying the love of God and the manifestation of God's power in the earth. Located in Lawton, OK, we are assisting the Kingdom of God in bringing in the end time harvest of souls. We believe the truth and that truth comes from the word of God. At One in the Spirit Christian Church, we build strong families with the word of God. Men, women and children who develop a loving relationship as we come to know our Heavenly Father, through the love of his son Jesus. Come worship with us, we will be glad to have you in our presence.

That they all may be one, [just] as You, Father, are in Me and I in You, that they also may be one in Us, so that the world may believe and be convinced that You have sent me. John 17: 21.

Join us in person at 702 NW Fort Sill Blvd in Lawton, OK. If you can't make it in person visit us on Facebook and YouTube every Sunday at 10:00 am. We look forward to worshipping with you.

Audio Team preparing for Sunday morning service

Pastor Raymond Weary faithful leads the audio team in checking the equipment and preparing for service each Sunday morning.

Audio Team

“The audio team works diligently each week to ensure that we have the best quality sound for our in house congregation and those viewing us online. We are usually among the first to arrive on Sunday mornings, working behind the scene to ensure the sound system and all related components are working properly prior to the service start time. Our ministry goal s arc to get more efficient on the newly upgraded audio system. The new system has about 12 or so more channels than our previous systems which allows us space for additional mics and other sound equipment/instruments. It also has a blue tooth feature which our previous system didn’t have. We are thankful for each member of the audio team and would like for others to join especially some of the youth.”

Pastor Raymond Weary

Praise Team

“1 am honored for how God is being glorified and magnified through the Praise Team. The new members are really on fire and excited about worshipping our King. The youth did a magnificent job lifting the name of Jesus on Youth day in August. My heart was truly stirred. We are praying for more praisers to join the praise team. I am asking God to send people who love Him and are called to worship. We need bold anointed worshippers who arc consistent and devoted to the ministry of leading others into Gods presents.”

“We are a truly one in the spirit family group of saint that love the Lord . We love to teach the word of the living God! We love our youth and children. We strive to hear from the Holy Spirit, as to do his will concerning imparting his word. There is always room for more

who want to teach our children.

Our goal is to reach each and every individual with love and impart the word of God.”

Outreach Team

“Outreach is a vital part of the church; Jesus gave the great commission that is particularly important for the church. The harvest is plenteous, and the laborers are few. If you are interested in becoming part of the outreach team, contact Pastor Jesse at (580) 319-9101.

We would like to have more outreach events and more people on the outreach team.”

Pastor Jesse Marshall

Then one of the elders said to me, “Do not weep. Look! The Lion of the tribe of Judah, the Root of David, has triumphed. He is able to open the scroll and to loose its seven seals.”

GTWO Youth Ministry

The acronym GTWO has two meanings. The first meaning of GTWO stands for **Get The Word Out**. This phase focuses on encouraging our youth to share their faith as they learn the Word. The second meaning encourages our youth to continuously build a close relationship with Jesus Christ; to do that they are taught to **Glorify Trust Worship Obey God** through Jesus Christ as a grow in the Word of God. The goal that our ministry has for its youth is to minister in such a way that the students desire to establish a personal relationship with Jesus Christ. We desire that of their own free will through the

leading of the Holy Spirit they accept Jesus Christ as their personal savior. We realize that our youth must be trained and taught the word of God so that they understand what the Kingdom of God has made available for them. We will equip them to go out into the world and be effective in what God has given them to fulfill. We want to reach out to the youth that are in our communities and surrounding areas. We understand that our youth are needed in The Kingdom of God today because God has already expressed and extended his loving hand to them.
