*Welcome to the practice.
I look forward to assisting you or your family member.*

In the first meeting, you will fill out some paperwork with basic information about yourself or your family member. **If applicable, please bring any relevant reports from school, physicians, occupational therapists, speech therapists, or previous psychological evaluations.**

If this appointment is for psychological testing: It is important to take any regular medications as directed by your physician or psychiatrist. If glasses are worn to correct eyesight, please bring these. A good night's sleep and breakfast before the appointment is helpful. You may bring a snack if you like. If your appointment includes a lunch break, you may bring a lunch or there are several reasonably-priced restaurants nearby.

Directions: My office is located in downtown Atascadero, one block from The Carlton Hotel and the Sunken Gardens. It is walking distance from Atascadero High School, Atascadero Junior High, and the Fine Arts Academy. **From Templeton/north**, take the Traffic Way exit off Highway 101. Go left (east) at the stop sign, back under the freeway. (See below for rest of directions.) **From SLO/south**, take the Traffic Way exit off Highway 101. Go right (east) at the stop sign on to Traffic Way. (See below for rest of directions.) At the traffic light at the corner of Traffic Way and El Camino Real, take a right on to El Camino. Take the first left on to Entrada Avenue. Two-hour parking can be found in front of the office.

2 hour street parking is available, but they do ticket cars at the two hour point.

Please call the office 24 hours in advance to cancel or reschedule appointment times.
