July 2026 and now in  
post-production.

# One storyteller, several ways to collaborate

Jennifer Sabour is an on-camera host and cultural storyteller specializing in museums, heritage sites, hospitality, and immersive travel. She translates history and place into elegant, accessible stories for international audiences.

Her short-form archive, the developing Belliniandkors Journal, and her on-camera work share one editorial voice. Unscripted Cities extends that voice into a repeatable television format.

## EDITORIAL ARCHIVE

---

# A recognizable editorial body of work

Jennifer's Instagram archive already connects art, hidden history, journeys, hospitality, cultural traditions, and curiosity-led stories. The Journal develops selected discoveries into lasting editorial features.

### LOOK CLOSER

Overlooked details inside art, objects, and places.

Renaissance to Runway

Manet and Morisot

Renoir's overlooked detail

---

### HIDDEN HISTORIES

Unexpected stories within buildings, gardens, and cultural institutions.

Manhattan's hidden atrium garden, Planting Fields, and Macy's wooden escalators

---

### JOURNEYS & RITUALS

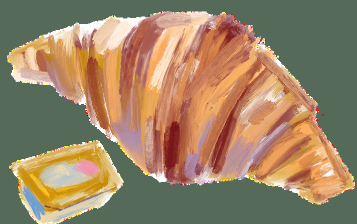

Rail travel, hotels, tea, dining, and everyday cultural practices.

Colebrookdale Railroad dining, Amtrak Viewliner II, Taipei, and Taiwan tea houses

# Screen. Social. Place.

*Work across broadcast,  
museums, heritage,

Jennifer's work centers the character of a place:  
its architecture, artistry, hospitality, history, and  
the human rituals that make it memorable.

## FLAGSHIP CURRENT PROJECT

# Jennifer: Unscripted Cities

*A story-driven cultural travel series  
exploring how history, ritual, and everyday  
experience shape the identity of the world's  
great cities.*

## A REPEATABLE TWO-EPISODE CITY FORMAT

### 01 HIDDEN HISTORY

The city's cultural institutions, architecture, artistry, and inherited memory.

### 02 HOSPITALITY & RITUAL

The ebb and flow of service, tradition, everyday ritual, and belonging.

## PARTNERSHIPS

---

# Ways to work with Jennifer

*A flexible media kit for editorial partnerships, social collaborations, hosted storytelling, destination projects, and the next stage of Unscripted Cities.*

## JENNIFER-LED COLLABORATIONS

- **Instagram & social** - short-form editorial collaborations and destination or hospitality features.
- **Journal & editorial** - commissioned stories, interviews, and selected archive discoveries developed into features.
- **On-camera hosting** - presenter-led segments, interviews, and cultural storytelling.
- **Museums, heritage & travel** - stories centered on art, history, ritual, and place.

*A collaboration may begin as a short-form story and, when editorially appropriate and separately agreed, develop into a Journal feature or longer hosted piece.*

## UNSCRIPTED CITIES DEVELOPMENT

### Potential next cities

**New York City | Boston | Philadelphia | Washington, DC**

All four are under consideration and in early development. None is a confirmed episode, production, partner commitment, or filming schedule.

After post-production, the London pilot is intended to support conversations with public television, cultural broadcasters, educational streaming platforms, and aligned cultural partners. No distribution commitment is implied.
